Events supported through the efforts of the Town of Warren,

Warren Area Chamber of Commerce, Knight-Bergman Center, Warren Fire Department, and many community volunteers and businesses.

THANKS

Thank you to the Warren community, friends and Bob and Patty Glessner for all your hard work on our 1-day house makeover, November 13, 2004. Julia and Stephanie Glessner were the recipients of this project. Clint had done so much for others we wanted to make sure that Julia and Stephanie were taken care of for the winter. Julia still tries to help others whenever she can. None of this would have been possible also without the donations from home improvement centers. I want to list individually your names and if I leave anyone out please forgive me. Thanks again everybody for all your Help and Support.

P.S. Just Being Friends

"Friendship happens in that Special moment when the Community reaches out to another, Trusts, Comforts, Believes in another, and makes a Special difference that no one else can make."

DEAR WARREN WEEKLY,

As usual, the annual Veteran's Day program would not be as successful without the help of many individuals and organizations. I'd like to thank the First Church of the Nazarene for donating their facilities and sanctuary for our ceremony. Thanks also to their custodian, Ron Dixon, who acted as our sound man. Thanks to Max Kaylor and the Sheriff's Department Disaster Team for helping with the parking of vehicles. Thanks also to Doug McElhaney and the Crestview Middle School Band for an outstanding performance. Bruce Van Gilder, Gene Snowden and Paul Baumgardner deserve thanks for helping direct the veterans and their families to the proper locations. And certainly, thanks goes to Rex Frederick and Kevin Shipbaugh of Frederick's Photography for taking the photographs of the veterans as they were receiving their awards and for offering a free 8x10 photo to each one of them. Thanks to all my usual helpers and to Rodney Funk, commander of VFW Post 2689, who was prepared to act as my stand-in had I been unable to attend.

I'd like to apologize to Paul Eugene Myers, who we mistakenly referred to in the newspapers and on the printed program as Paul Miller. And I need to apologize to military retirees Tom Mills, Warren, and Lincoln Reed, Huntington for not also identifying them as World War II veterans.

Tom Applegate, Veterans' Service Officer

THANK YOU

A big thank you to all the readers of the Warren Weekly for your patience in not having a paper last week.

On November 2, I found out that I had a mass in my chest and went into the hospital to have a biopsy. I have since found out that the mass is not Cancer - we still aren't sure what it is but, we do know what it isn't.

I would like to thank everyone for their thoughts, prayers, calls, cards, gifts and food during this past two weeks. It's overwhelming to know that there is a whole town that cares. I've said it many times before and I'll say it again, there is no better place to be from, than Warren, IN.

FAMILY VOLUNTEER DAY

Saturday, November 20, is National Family Volunteer Day. To celebrate, Aging and In-Home Services of Northeast Indiana, Inc. (AIHS) is asking families throughout our nine-county service area to rake leaves for an elderly or disabled person.

AIHS will match volunteering families with individuals who truly need help. Between the hours of 9 a.m. and 12 p.m., families throughout the area will spend quality time with one another while making a positive contribution to their community.

AIHS believes that families who volunteer together receive several benefits. It strengthens positive values, makes family time valuable to both the family and the community, it encourages communication, it teaches children important values, not to mention... it's fun.

National Family Volunteer Day is a day of service designed to demonstrate the power of families who choose to volunteer

together to support the communities in which they live and serve. The Points of Light Foundation created the day to highlight the benefits of family volunteering and to provide an opportunity for America's families to help communities create supportive environments for their children and each other.

To sign up, or for additional information about this and other volunteer opportunities, call Betty Harden, Director of Volunteer Programs at AIHS at 1-800.552-3662.

grams increases and causes mail from families and friends to be mixed with mail from unknown sources resulting in delivery delays.

DoD continues to emphasize that names and addresses of military service members must not be distributed by the media, Web sites, companies, non-profit organizations, schools and individuals for the purpose of collecting letters of support or donations for mailing to service members.

Service members should receive mail only from those friends and family members to whom they personally give their address.

Military addresses should not be passed around by family members for use by donation programs. Unknown mailers could then obtain those addresses and mail harmful items to service members.

For these reasons, DoD continues to indefinitely suspend general donation programs from unknown mailers.

Americans, who don't have loved ones deployed overseas, can still show support during the holidays by other means.

A list of these programs is available at <http://www.defendamerica.mil>.

To guarantee mail arrives in time for end of year holidays, family members are encouraged to view the mailing guidelines at <http://www.usps.com/cpim/ftp/bulletin/2004/pb22138.pdf>.

NOTES FROM WARREN

The Warren Town Council met in short session on Monday evening, Nov. 8. The meeting was held in Assembly Hall and opened at 6:30p.m. with president Harold Jones leading the Pledge to the American Flag.

Minutes of the previous meeting of Oct. 25 were approved as submitted.

Representing the Youth Services Bureau of Huntington County, Patti Hunt-Mitchell talked to Council about Warren and the Bureau working together to give young people in trouble Community Service work. There is a fee of \$1.00 per hour for each hour assigned by the Court for the youth. There are 15 from the Warren area reported available. Council agreed to the program and suggested an area for work was the Fire Station.

The bird problem was reported to be improving, but it was indicated that with grain dropping off farmers wagons as they go through town, and extra grain around weigh stations for grain, it will require more time to catch

all the birds.

Council voted to purchase 20 folding chairs for Assembly Hall.

Council also agreed for the Fire Department to use Assembly Hall for their Christmas party.

The Department of Commerce recommended a cold storage be established at 609 East First Street. Council gave a recommendation.

Curtis Day reported from the Utility/Street Departments. He said leaf pick-up is expected to be completed soon. Valves had been put in and some work is still needed to be done at Tower Park. A number of trees around town need trimmed or cut down.

Council advised that bids be taken for an old tractor since there has been an interest expressed to purchase it.

Fire Chief Tim Ford said the Department is interested in purchasing a used '92 tanker truck. Council agreed to take the situation under advisement.

The next Council meeting will be Nov. 22.

VB STORIES

Twenty children came to the Van Buren Public Library on Friday November 12, 2004 to honor our Veterans and our men and women in the military. The children signed in and were able to color a patriot picture.

Karen read the book "Veterans Day" by Jacqueline Cotton. She introduced our very special guest Mr. Mike Long from the Air National Guard of Fort Wayne. Mike was stationed in Iraq two months before the war began. He arrived in January of 2003 and the war started in March of 2003. Mike shared a lot of interesting facts and showed a lot of pictures of his stay in Iraq. We found out there are sandstorms two times a week. He had pictures of the sandstorm and you could see very little. He talked on how the

boys and girls do not go to school together. Boys go three days then girls go three day. They also attend school on Saturdays. Mike compared how our policemen have dogs to help them sniff down things. The Navy Seals have Dolphins to help the Seals find bombs. The food the soldiers have is not like our home cooked food but M. R. E. food (Meals Ready to Eat) freeze dried food. Mike brought a stuffed camel. He said he saw a lot of camels so he sent a stuffed camel to his wife for her birthday. We want to thank Mike Long for taking the time to come and share with the children. His information and pictures were enjoyed by all of the children and adults.

A letter was read to the children received from Jessica Fail who is stationed in Virginia Beach, Va. Jessica is one of the soldiers the children write and send pictures too. We appreciate Jessica taking the time to write.

The staff prepared a place in the Children's Department where the children can display pictures and names of our men and women who have served and our serving in the military. The children received a sheet of paper with a place where they can put a person's name that has served or is serving in the military. I hope they return the papers to the library so we can display them.

Those attending were: Kayla Shafer, Nixon Smith, Autum Smith, Icily Baker, David Irwin, Amy Kerr, Emily Bryant, Olivia Bryant, Elizabeth Bryant, Phillip Dailey, Ashley Kerr, Kaylee Morgan, Baylee Morgan,

Cameron Riddle, Peter Bryant, Karlee Laypoole, Mandi Beck, Jaedyn Beck, Delta Oswald and C. J. Anderson.

This Friday after school 2:30-3:30. We will have a Thanksgiving Party. Hope to see you!

TOOTH TIPS

EATING DISORDERS AND YOUR ORAL HEALTH

Bulimia and anorexia nervosa are two serious eating disorders. Each can cause problems in your mouth. Anorexia nervosa is an unnatural fear of gaining weight. Bulimia is a condition where a person compulsively over eats and then induces vomiting to get rid of the food. Some people with anorexia also induce vomiting. The danger to the teeth comes from the stomach acid that arises from the induced vomiting can severely erode teeth enamel. Adolescent and 20-30 year old females are most at risk for developing these disorders, but males may also be affected.

When the dentists notices an unusual enamel erosion on the teeth of a person who appears to be otherwise healthy, the issue might be addressed about the possibility of an eating disorder. Depression often goes along with an eating disorder and a person that has one of these conditions will often get lax about good oral hygiene. Gum disease may also develop.

While the dentist can treat the appearance of the teeth with cosmetic dentistry, they can't cure the underlying issues. Other health professionals would have to be involved. Regular visits to the dentist and good oral hygiene should be a part of your overall plan for maintaining good health.
