## SWNS VISITORS

Wether and Leprechauns were just part of the exciting topics Small World Nursery School students learned about last month. We were also thrilled to have some special guest readers come to our classroom. The Cat in the Hat (aka Mrs. Shari Sue Brown - above) delighted students. Mr George DeWeese (below) also made some Dr Seuss books come to life. And we have been enjoying fun and interesting stories from the Warren Public Library read by librarian, Mrs Rosalie Walter, each month. We so appreciate their time and enthusiasm to inspire 3 and 4 year olds and help them develop a life-long love of reading and learning! All 33 of our current students earned completion certificates and a free personal pan pizza from Pizza Hut for their participation in the Book-It Program. Together, we read or were read to over 10,500 minutes during March!

## EDITOR'S CORRECTION

OK – I really goofed last week. The Christian Brothers were originally reported as being scheduled for April 2<sup>nd</sup> at Heritage Pointe. That was a mix-up and then when I tried to fix the correction I really messed it up. So let's try this again.

The Christian Brothers will be performing in the Applegate Chapel at Heritage Pointe on Thursday, April 16 at 2 p.m. Everyone is invited to attend.

## PRESERVATION PROGRAM

Recently the Knight Bergman Center Board of Directors established a committee to develop a plan for a community-wide solicitation fund for the continued preservation of the Knight Bergman Center.

The planning committee now has brochures and information compiled and ready for distribution. This information will be mailed in the next few days and brochures and other information will also be available at various locations.

It is the hope of this committee that all graduates, former students and the community will respond positively to this preservation funding program.

## GARAGE/BAKE SALE

The Liberty Center United Methodist Church is sponsoring a Garage & Bake Sale. The sale is Friday, April 17<sup>th</sup> from 9 a.m. to 5 p.m. and Saturday, April 18 from 9 a.m. to 1 p.m.

The group will sell clothing, books, toys, dishes, furniture and baked goods, plus more. The proceeds will go to the parsonage fund and to missions.

The church is located on old 303 east of Warren.

Our group activities include fellowship, support, field trips, guest speakers, special events, crafts, games, snack, show and tell, elected positions, information, book fair, fun, and lots more.

We are hosting our third annual book fair for the community to enjoy. There will be lots of books, curriculum, games, toys, vendors, and lots more for sale. It will be on Saturday, April 25<sup>th</sup> from 9am to 2 p.m. at Hanfield Methodist Church on SR18 and 400 East. The Solid Rock United Methodist Church Men's Fellowship will host an East of Chicago fundraiser in Warren on Tuesday, April 21 from 5:00 to 8:30 p.m. Proceeds from the event, including all tips, will be used for ministries to local families in need. The cost is \$9.50 for adults and includes the buffet, drink, and tax. Children's meals will be available at a reduced price.

## BUDDY, DEWY AND FRIENDS

The Dillman U.B. Church is proud to present Buddy, Dewy and Friends; "Up the creek without a Paddle." The group is made up of 14 singing guys who will be sharing a variety of music with many surprises, of course. Bridget Schweikhardt is the technical director and Linda Walters is the music director.

If you need a reason to laugh and smile, come worship with us on Sunday, April 26<sup>th</sup> at Dillman. There will be a program at 2:30 pm and one at 6:30pm. Refreshments and fellowship will follow each program.

Dillman Church is located at 8888S 1100W-90 in Wells County (downtown Dillman). For more information call the church at 260-375-2779. A love offering will be taken to support the children's ministries of the church.

### THE UPTOWN GARDENER

by Ruth Herring

The time of the chocolate bunnies and marshmallow chicks have come and gone for another year and many are out walking off the after effects of all that good stuff.

Our Easter day was quite, we had a very nice dinner with Treva and family, and the time spent was very nice.

The day after Good Friday we planted the potatoes that we usually do on Good Friday but with the rain we opted for another day. This year we are experimenting by planting potatoes in straw. I have done some research about this method and talked with some who have success with doing it, so why not. It was a bit easier than tilling the soil and the preparation. I am sure my dad is up there laughing at me for doing it, as we always plowed, disked, marked and furrowed out the rows, but with about a quarter acre or more to plant it would have taken a bunch of straw to cover it all. Will keep everyone posted on the success or failure of this adventure.

I have been really working on getting flower beds cleaned up and looking presentable and slowly I am getting them done. While working in the beds I have enjoyed the jonquils, daffodils and hyacinths blooming. I have also noticed buds on the lilac bush, I have a white one and lavender and in a few weeks they will be in full bloom and by next week I should be able to pull some rhubarb for a nice fresh pie.

I am getting anxious to set out the geraniums I kept over this winter, but I know I have a few weeks to go on that. They are full of buds and on warm but cloudy days I have set them out on the deck to get them prepared for the outdoors.

On April 20th I will be a speaker at the Friends of the Library meeting to kick off National Library week. Anyone interested may attend. I will be talking about the start of this column which I have done for 3 years and maybe help with general gardening questions. Watch the Warren Weekly for more information.

This week I will give you another recipe for rhubarb. It is the recipe a former and very dear lady, Mrs Addie Stout, gave me. She was a wonderful friend and neighbor when we lived out near Salamonie Heights thirty plus years ago.

3 cups rhubarb diced, 3 tablespoon flour, 1 cup sugar, 1 egg beaten, 1/4 teaspoon cinnamon, mix this all together fill pastry shell, dot with 1 tablespoon butter cut in pieces add the top crust and bake 425 degrees for 10 minutes and reduce heat to 350 and finish baking for about 50 minutes

Enjoy these wonderful spring days.

## T T T H TIPS

By: Dr. Kevin J DeaKyne DDS, PC

### What Your Tongue is Telling You About Your Health!!

Your body may be trying to tell you something if your tongue gets bumpy, changes color, or worse.

You may not give your tongue much thought, but chances are your doctor does. "In fact, in Chinese medicine they believe that the tongue actually reflects all the diseases of the body." Below are some of the things you, your dentist and doctor should look for.

**White Coating** - When the tongue looks sort of white and pasty - in patches or entirely - it's an indication that there is probably some sort of infection present on the tongue, such as bacterial overgrowth or an autoimmune-related inflammatory disease. One possible cause is thrush, which is an overgrowth of candida (also called yeast) bacteria. Once the infection is treated with antifungal drugs (topical or oral) and the infection clears up, the tongue will return to its healthy pink shade.

**Too dark** - A healthy tongue should have warm, pinkish color, so if it looks dark brown or black you should wonder why. Chances are the answer will be in your diet, life-style or your medicine cabinet. "The filiform papillae on top of the tongue - particularly if they are elongated - can easily take on stains or various colors from the foods, drinks, antibiotics, lozenges, etc. that you consume. A side effect of taking bismuth medications (Pepto Bismol) is that the tongue may turn temporarily black. Drinking lots of coffee, smoking or chewing tobacco can stain the tongue a brownish shade. Simply brush your tongue a few times and the stains should go away.

**Getting hairy** - The top of the tongue is covered with little projections called filiform papillae. They are made up of keratin - the same protein that makes up hair, but they are not really "hair". Under normal conditions you wouldn't even notice them. Certain conditions can cause them to elongate, giving the tongue a "hairy" appearance. Factors that could be responsible for causing the filiform papillae to grow include a bacterial infection, taking antibiotics, or having a very dry mouth.

**Sore Spots** - They may be small but canker sores or mouth ulcers can occur anywhere in the mouth, and can be very painful. Generally, those with genetic predisposition to getting canker sores will see them crop up when other factors fall into place - such as having a cold or fever, eating an excess of citrus fruits, or biting the tongue. A normal canker sore will heal up and vanish in a week to 10 days. Something that lasts longer or doesn't seem to go away could be a sign of something more serious and should be checked by your doctor or dentist.

**A Bumpy Surface** - The filiform papillae-projections on the top of the tongue, including the taste buds - normally stick up a little bit. Occasionally one will get temporarily inflamed, red and sore. As with canker sores, as long as the area returns to normal within a few days it is most likely harmless. You should see your dentist or doctor if you ever have any questions. Seeing your dentist every 6 months will help eliminate any future problems.

### BOWLING TOURNAMENT

### TAX CALCULATOR

The Department of Local Government Finance (DLGF), in partnership with the Indiana Business Research Center (IBRC) at Indiana University, today released an online property tax calculator for Huntington County taxpayers. This tool allows taxpayers to enter their property's assessed value, taxing district and possible deductions to see tax bill estimates for bills due in 2009. Taxpayers can access the tool from the Department's Web site at <http://www.in.gov/dlgf/4932.htm>.

"The estimates provided by this tool are projections that taxpayers can use to determine how legislation passed last year, like the circuit breaker caps, will affect them," Commissioner Tim Rushenberg said.

The release came after the approval of Huntington County's 2009 budget and certification of tax rates and levies on March 10, 2009.

The estimates provided by this tool are projections only and should not be taken as a statement of true tax liability, which is determined by the county.

A copy of the Huntington County budget and the DLGF analysis also will be available online at <http://www.in.gov/dlgf/2588.htm>.

### JEFFERSON REUNION

Looking for students who were in middle school and who attended Jefferson or South Upper Elementary from 1964-1968.

It's been over four decades since we roamed the halls of a very special place where students from Banquo, Jefferson, Rock Creek, Markle, Lancaster and Warren all shared one thing in common—our "wonder" years!

Jefferson was built in 1924, and those attending were known as Spartans. From 1966-1968 it was renamed South Upper

Elementary, and we became the Rebels. The consolidation of township schools forced the school to close in 1968, and our beloved Jefferson/S.U.E. was demolished in 1972. A commemorative plaque has been placed at the site.

It has been quite an undertaking

trying to locate classmates from 40+ years ago.

Over 100 classmates have signed on to our website. Join us at our very own website at [www.jeffersontownship.school.com](http://www.jeffersontownship.school.com). The best part is that it's FREE! Through our site you can contact other classmates, your favorite teachers and faculty, read their profiles, post pictures, and learn more about the reunion. We also have an "In Memory" page as well.

Mark your calendars now for our Jefferson/S.U.E. middle school reunion to be held on Saturday, May 30th, 2009 at the Fabulous 105. That is the Saturday after Memorial Day. The Fabulous 105 is located at the junction of State Road 105 and 218 at the site of the old Midway Roller Rink. The evening will begin at 5:00pm to 6:00pm with a social hour, a chance to mingle and say hi. Dinner will be served from 6:00pm to 7:00 pm with a few surprises and special guests in store! From 7:30 to 10:30 we will be listening and dancing to all of our favorite "golden-olies" from the 60's. Pull out those bell bottoms and dust off the go-go boots. We look forward to seeing you there!

Reunion tickets must be purchased by May 1, 2009! Tickets are \$32.00 per person and may be purchased through our website or by mail-checks made payable to Jefferson Reunion.

An informal "Potluck Picnic" will also be held on Sunday May 31, 2009 from 12-6 at shelter #2 at Matter Park in Marion Indiana-please let us know if you will be attending!

### JR LEADER MEETING

The Huntington County 4-H Junior Leaders will be Thursday, April 16 from 7:00-8:30 pm at the Family Living Building, Hier's Park. In addition to a business meeting and committee reports, the group will have a Game Night. Youth are encouraged to bring their favorite card or board game to join in the challenges.

The County 4-H Junior Leader organization is open to any 4-H member in grades 7 & older. For more information, contact the Purdue Extension - Huntington County Office, 354 N Jefferson - Suite 202, County Courthouse Annex, Huntington.

### Mini 4-H

Mini 4-H enrollment in Huntington County is now underway. Any youth in grades Kindergarten, 1st or 2nd grade is eligible to participate in the Mini 4-H program. Youth are encouraged to complete the enrollment card prior to April 24 to allow the appropriate Mini 4-H project manuals to be distributed in a timely manner. Information about the Huntington County Mini 4-H program is being distributed through the Huntington County school system during the week of April 13. Information is currently available for other interested youth at the Purdue Extension - Huntington County Office.

Mini 4-H is designed to introduce younger youth and their families to the county 4-H program by providing an opportunity to work on a project and display their work at the annual Huntington County 4-H Fair in July. A total of 15 different projects are offered in Mini 4-H; however, youth are limited to enrolling in one project per year.

For more information about the Huntington county Mini 4-H program, contact Purdue Extension - Huntington County Office, County Annex Building, 354 N Jefferson-Suite 202, Huntington or call 260-358-4826.

### STARTER CALF ID

Huntington County 4-H Starter Calf identification will take place on Saturday, April 18 at the cattle barns, south side of Hier's Park. All 4-H youth planning to exhibit in the starter calf project must bring their project animals (dairy and beef calves) between the hours of 9:00-11:00 am to be weighed, tagged with a county identification ear tag and noseprinted. Any dairy starter calf which might be exhibited at the Indiana State Fair in the 4-H Dairy Feeder Calf show in August must also be retinal eye scanned for identification purposes. Forms were mailed to youth enrolled in the project but if youth have not yet received the information, please contact the County Extension Office immediately.

For more information about this 4-H identification project requirement, contact the Purdue Extension - Huntington County Office.
