## INTRODUCING iAB

A ribbon cutting ceremony was held today to introduce iAB Financial Bank – the consolidation of Grabill Bank and MarkleBank. The application for interagency bank merger was approved by the Federal Deposit Insurance Corporation and the Department of Financial Institutions in August. The two bank's individual holding companies merged in 2005, leaving the banks separately chartered, and became Independent Alliance Banks, Inc. (iAB). The banks have had consolidated administrative and operations functions since then but have maintained individual identities. Consolidation has been the plan for several years in order to make the organization more efficient, control costs and better position the company for future growth.

This new bank consolidation allows for processing of customer transactions from a wider service network including 17 branch offices, a Mortgage Center with 2 regional offices and a Wealth Management Division. The combined organization is nearly \$1 billion in assets with 275 employees. The new bank is governed by the existing iAB Board of Directors.

Management for iAB Financial Bank include Michael C. Marhenke, President and Chief Executive Officer; Kevin J. Himmelhaver, Executive Vice President and Chief Financial Officer; Gregory A. Smitley, Executive Vice President and Chief Operating Officer; Paul J. Grandlienard, Executive Vice President and Chief Credit Officer; Karen J. Cameron, Executive Vice President/Corporate Services; and Michael A. Rice, Executive Vice President/Operations. Customers can expect to be served by the same people they have worked with in their local community for more than 60 years.

"Both banks have been successful in providing quality services to customers as well as being leaders in the communities we serve. The company is strategically focused on growth, and this consolidation into a single bank allows us to expand our service network, provide larger loans to our borrowers, offer increased career opportunities for our employees and have a larger base from which to support our local communities," stated Michael C. Marhenke, President and Chief Executive Officer.

iAB Financial Bank is the sole banking subsidiary of Independent Alliance Banks, Inc. The bank serves 30,000 customers in our local communities which include Fort Wayne, Bluffton, Grabill, Harlan, Huntington, Leo, Markle, New Haven, Ossian, Roanoke, Van Buren and Warren.

## BASEMENT TIDBITS

Are you ready for winter? The  
Bargain Basement may be able to  
help in one respect. We have lots of  
warm clothes, some boots, gloves,  
hats, scarves and coats.

We try to fill every section each  
week, so keep checking back  
frequently if you don't find what  
you need. We volunteers have been  
working 10-15 extra hours during  
the week processing donations and  
putting new items out.

You can't beat our prices. We have  
the \$5.00 bag sale every day!

We have Halloween costumes or  
create your own cheap.

Our donations have been great,  
which we greatly appreciate, please

keep them coming. When we all  
work together we do great things to  
support our Civic Center and our  
community. We also clean our  
homes of clutter and improve our  
own lives.

We are always in need of the larger  
size grocery bags, so ask for paper  
bags and bring them in.

We have lots of books, movies,  
and magazines for those long cold  
winter evenings.

If you haven't already, please tell  
your family members, friends and  
co-workers, who live in other  
communities, about the great deals  
at the Bargain Basement. Our new  
shoppers are all amazed at our prices  
compared to the "other store" -  
that's getting more and more  
expensive.

## KUDOS, KICKS & KARATS

### WARREN SCOUTS THANK YOU!

On Saturday October 13th the Warren Scouts held their Open House/ Yard Sale/ bake Sale at the Scout Cabin. The people of this community came out and showed their support of these boys. The boys provided tours of the cabin, light refreshments were provided, people found their yard sale treasures and some yummy baked goods. Some of you even came back out for seconds!

All in all it was a success for these kids. This community just showed again why it is called "SMALL TOWN BIG HEART". Thank you just not does not seem to do justice with the support that all of you have gave the boys. These boys are very fortunate to have supportive and involved parents and a community that backs us in what we do!

We will keep you up to date on our activities. As with the holidays quickly coming upon us, please keep in mind those less fortunate or those that just need a hand. Our Webelos and Boy Scouts will be working with the Bread of Life Food Pantry for Thanksgiving boxes soon. Hunger is a growing problem and we encourage all of you donate!

CONGRATULATIONS TO TAMARA SPAHR! She won a popcorn tin with over 5 pounds of chocolate items that we raffled off!

## AREA NEWS

### MORE PAGE 1

We appreciate and thank our volunteers and all of you for the donations and support you give us.

### THE FESTIVAL OF TREES

We have a great town and we want to show it off!! Historic Warren, a new Main Street initiative is ready to do just that and host its first-ever event. Keeping with Historic Warren's mission of promoting interest in and for the businesses and churches of our area, the Historic Warren Promotion Committee will be hosting a Holiday Walk and Festival of Trees.

The Holiday Walk will take place Friday, November 16 from 4p.m. – 7 p.m. During the walk, you may visit businesses who are opening their doors to offer holiday treats and per-haps, their own special deals. Warren will bustle with people going door to door to see what is being offered.

We welcome your participation in the Festival of Trees by inviting your business, family, club, or church group to decorate a tree and display it in the downtown area. Visitors, including you, will be able to view the trees and then return to the town annex and vote for best tree. Monetary donations raised from the event will be given to the Warren Ministerial Association. Both of these events coincide with the opening night of "The Christmas Story" at the Pulse Opera House to create an evening full of holiday spirit.

We hope you join in by promptly contacting Danielle Shaw at PNC Bank or by e-mailing her at [danielle.shaw@pnc.com](mailto:danielle.shaw@pnc.com) by November 1st. Let her know what size of tree you will be decorating or if it will be an existing tree downtown the location of that tree. Also if you

are representing a group, which group. Please provide her with a contact person and phone or email.

The Promotion Committee is excited to be offering these two family-oriented events and hope you will join us. Please help us invite people to our small town by entering in the contest and then joining us the night of the Holiday Walk and Festival of Trees on November 16th.

#### The Guidelines

- Artificial trees up to 8 feet or smaller are preferred.
- The business where the tree will be located will be determined by promotions committee upon application.
- Existing evergreens located within the downtown area could be used. Be sure to indicate exactly which tree you have targeted so you alone will decorate that tree.

- Your tree should reflect a holiday theme or one of your business, school, group, organization or personal interest.

- Unwrapped edible items should not be used.

- Loose particles such as snow, confetti or glitter should not be used on indoor trees.

- Glittered-covered ornaments are allowed but all such decorating must be done at your home, including use of spray adhesive. Please assure that the glitter or snow will not fall off the tree and become a maintenance problem for the business accepting your tree.

- Be prepared to take any packaging, extras, etc. home with you after decorating.

- \$25 in Warren Chamber Bucks will be given to participant bringing in the highest monetary contribution.

We'd love to have you help us out. If you would like to volunteer or know someone who would make a great volunteer to make these events run smoothly, please email

Ruth Swanson at [drswanson@citiznet.com](mailto:drswanson@citiznet.com).

### HOLIDAY BAZAAR

The Warren United Church of Christ will be hosting a bazaar on Saturday, November 3rd from 9:00 a.m. – 2:00 p.m. This year's theme is "Holiday Spirit".

Along with homemade noodles and apple dumplings, a deli of other wonderful offerings will be available: homemade pies, jellies, salsa and other bazaar favorites. Also, there will be lovely handmade items in the Christmas Craft Room.

A tasty lunch will be available from 11:00 a.m. – 1:00 p.m.

The Church is located at the corner of 2nd and Wayne Streets in Warren.

### CHURCH BAZAAR

Mark your calendars and start making those Christmas lists. You won't want to miss Mt Etna United Methodist Church's Annual Food and Craft Bazaar. The Bazaar will be held on Sat. October 27th from 9am to 2 pm. Again this year, as last, we have opened our doors to outside vendors to allow for a much larger array of gifts. Some of this year's crafts include: Tastefully Simple, greeting cards, Mische Bags, Wood crafts, Christmas ornaments, jewelry, candles, pet toys, doll clothes, craft supplies for Cozy Creations in Marion, stoneware and much more.

In addition, the United Methodist Women will be selling their famous homemade pies, noodles, soup and many other baked goods. And yes, there will be pumpkin rolls that you can freeze and keep for Thanksgiving.

In the morning there will be rolls and coffee for a free will donation. The church youth will be serving a luncheon to help defray the costs of camp. There will be a free drawing for a lovely door prize.

Believe me, you won't want to miss out on this event. Come for the food, fun and fellowship.

There are a limited number of vendor openings still available. Call 260.375.2194 if interested in renting a space.

The church is located at the corner of State Roads 9 and 124 in Mt Etna, In.

### VAN BUREN COUNCIL

On Wednesday evening, October 10 the Van Buren Town Council met in the Council Room at Town Hall. At 7 p.m. president Marvin Surber called the meeting to order. All in attendance repeated the Pledge to the American Flag.

A representative of Wabash Valley Refuge was in attendance. He said the company wants to bring in carts for local residents to put trash bags on. This will start in 2013.

A resident was again in attendance concerning progress of town clean-up.

The Town has received two bids to demolish a house on South Second Street. The bid was awarded to Dave Excavating.

The Town has again received a safety award from IPAC. The award is given because all employees were again accident free in 2011.

Officer Pat Collins gave the police report. He said he had talked with the Sweetser Town Marshal about a federal program. The program is entitled Defense Reutilization and

Marketing Program. The program entitles local government units to get a license to get supplies at no cost. The items available are military items no longer in use. Council gave consent for Collins to get information about the program.

Collins also reported that three local officers had attended two different training sessions recently.

Council voted to purchase a dump truck from Fincannons.

Superintendent Rob Reeder said there had been maintenance on two wells last week.

There was also concern there could be a water problem at Weaver Popcorn facility.

At a meeting she attended last week, Clerk-Treasurer Michelle Sexton received an awards. She is now a certified Municipal Official through the IACT Municipal Management Institute program.

Council also set Trick or Treat hours for 6 to 9 p.m. only on Halloween, October 31. A community Halloween party will be held at 7 p.m. in the school gym.

### WOODLAWN NEWS

The board of directors met recently at the home of Robert and Monica Sliger Jr. President Guy Jackson conducted the business with reports from secretary Lou Ann Shafer and treasurer Sharon

Williams.

Due to disease and age, approximately thirty trees need to be removed. Contact will be made with professional tree services. Because of the anticipated expenses the board would appreciate any donations to this fund.

The group discussed situations with many items being placed in/on the ground around numerous stones. This makes mowing and trimming more difficult. We encourage families and patrons to keep articles and arrangements placed on top of stones and out of grassy areas. We urge the use of saddles and urns. Please label and secure all items.

Marcia Jackson announced her retirement from the volunteer board. Newly appointed members are Bruce Souers, Treva Flemming and Kevin Jackson. In addition to those already mentioned are George Kriegbaum, Larry Poulson, Ned Ruble and Mark Stucky. The board appreciates the communities help in keeping the grounds free of litter. Walkers often pick up twigs and limbs and place them in piles - we say THANK YOU.

Remember FALL CLEAN-UP BEGINS NOVEMBER 1. You must remove any items you want to keep by then. Call Guy Jackson 260.375.2420 or Lou Ann Shafer

260.375.2970 for more details.

### CHAUTAUQUA

Twenty-five members and one guest, Jane Barrett, were present for the opening meeting of the 2012/2013 Chautauqua meeting year.

President Karen Hunnicutt welcomed everyone, followed by repeating of the Collect. Roll call was answered by sharing a summer activity. The Secretary and Treasurer reports were given. New business consisted of reviewing the new booklets, sending cards of Cheer to members, and announcing a donation in the memory of Mary Emma Huffman was sent to the Knight-Bergman Center Museum.

LuEllyn Pond introduced her daughter, Jane Barrett, who then gave a program describing her Mission Trip to the Dominican Republic this summer. Jane is Director of Pharmacy at IU North in Indianapolis, In., and considers her life in Pharmacy a blessing to her.

Jane joined a group of doctors, nurses, ministers, pharmacists, dentists, interpreters, and youth helpers to go with Hope International Ministries to the Dominican Republic. A Church in Michigan who prepackaged their pills in 30 tablet increments before they left to help them when they

arrived at their destination aided them.

The group went to 5 of the 29 Provinces, including the Outback areas. They could not do surgeries, but treated a multitude of problems. The medical group treated 2800 people from 41 countries, and the 4 pharmacists plus 4 helpers and an interpreter filled 8000 prescriptions during the week.

Even though the Dominican Republic is now a democratic country with one Capital, and a President that studied at Harvard, there is not much opportunity for trade—thus there is no money to care for their people. The country has nothing to export that anyone else seems to need or doesn't already have. The average monthly wage is \$85-\$125.

Jane gave a wonderfully informative picture of life in this country, and many experiences of being on a Mission team. Church services were also held, and a BIG WIN for the team was that 700 people chose to follow Christ. The blessings of the whole Mission trip were that, even though they couldn't change the living conditions, or poverty, or economics of the country, the Mission Team was there to bring HOPE and SALVATION to a "hungry" people.

## PLATELET DONORS VITAL

"You're golden."

That's what platelet donors hear most every time they help save a life through the American Red Cross. And that's because these tiny gold-

colored cells in blood are constantly needed by hospital patients with life-threatening illness or injury.

"Platelet donors are highly valued by medical professionals and by hospital patients and their families," said Tracy Duncan Fox, spokesperson for the Indiana-Ohio Blood Services Region of the American Red Cross. "These donors play a vital role in ensuring an adequate supply of a very fragile resource is available when it's most needed—which is literally every day."

Platelets are the clotting components in blood that control bleeding. Patients with serious health conditions like leukemia, cancer and aplastic anemia can't produce enough platelets of their own and often need platelets to survive or to improve their quality of life. Platelets are also essential for many surgeries, trauma care and during the course of chemotherapy.

Platelets for patient care come from volunteer donors who make and keep appointments through special Red Cross collection sites. Platelet donations can take from 90 minutes to two hours and involve the use of a cell-separating machine that removes platelets and a small amount of plasma from whole blood, then returns remaining blood components to the donor. Donated platelets only last for five days, and are always in high demand. Donors can give platelets up to 24 times in a 12-month period. Donors can also give blood after waiting a certain number of days between donations and meeting eligibility requirements.

"When you give platelets, chances are someone very sick needs your donation almost immediately," said Duncan Fox. "And since you may be eligible to give platelets more often than you think, you could help save lives throughout the year by simply rolling up your sleeves."

For information on donating platelets, visit [redcrossblood.org](http://redcrossblood.org) or call 1-800-589-8127.

UPCOMING AMERICAN RED CROSS BLOOD DRIVES IN YOUR AREA:

Thursday, Nov. 1, from 2 p.m. until 6 p.m. at the Knight-Bergman Center in the Main Room, located

at 132 S. Nancy St. in Warren.

About donating and eligibility

To schedule an appointment to donate please call 1-800-RED CROSS (1-800-733-2767) or visit [redcrossblood.org](http://redcrossblood.org) for more information. Individuals who are 17 years of age (16 with parental permission in Indiana and Ohio), meet weight and height requirements (110 pounds or more, depending on their height) and are in generally good health may be eligible to donate blood. Please bring your Red Cross blood donor card or other form of positive ID when you come to donate. Platelet donors should also be aspirin-free for 48 hours.

The need is constant. The gratification is instant. Give blood.™
