## NEW MINISTER

Last Sunday, October 26th, the Warren Church of Christ, at the corner of Wayne and 3rd Sts., extended a call to Gerald and Ruth Moreland to come be their minister beginning in January, 2004. The Morelands are presently in a 24 year ministry at the Markle Church of Christ where Gerald served as the preacher for 16 years and has been in the role of Pastoral Care for the last 8 years. Ruth Moreland is in her 21st year at Salamonie School presently teaching 6 grade Language Arts.

Gerald will continue to be involved in the Senior Adult ministry and some pastoral calling at Markle for a period of time while serving full time at Warren. There is a great working spirit between the two churches and the Morelands will maintain their present residence in

Markle while ministering in Warren. It is a unique situation God has led to transpire and not many churches have this kind of opportunity to work together in such a wonderful spirit of sharing. The public is invited to welcome the Morelands when they come for their official beginning January 4th, 2004.

## FOOD PANTRY NEEDS

So often we are asked what foods are needed at our Food Pantry. The following list is what is generally needed to create an average balanced diet. We also feel non-food items are a necessity, not a luxury, to maintain a clean, healthy body. The cash donations are used to buy fresh meats, eggs, etc. This is our present needs list: CANNED VEGETABLES; peas, hominy, sauerkraut, spinach, mixed vegetables, lima beans. BEANS (dry): navy, pinto, great Northern. BEANS: (canned): kidney, baked, pork & beans. SOUPS: mushroom, chicken noodle, vegetable, beef broth, potato. Tuna, jams or jellies, cake & muffin mixes, oatmeal, canned meats, pineapple, fruit cocktail, spaghetti sauce, dry spaghetti & pastas, 1# cans shortening & cooking oil & cookies. Non-food items include shampoo, face soap, paper towels, toilet & facial tissues. With cold weather at the door, fuel costs leave fewer funds for food to feed hungry mouths. Our daily papers give the growing unemployment figures resulting in our needs. Our new hours are Wed. 4:00-5:30 p.m. and Sat. 10:00-11:30 p.m. Phyllis Harness, Area Coordinator, (260)375-2381.

## KUDOS, KICKS & KARATS

### THANK YOU

I want to write and tell everyone a great big THANK YOU for all the cards, letters, visits, prayers and phone calls from everyone. I still have a long (boring) way to go, but there has been progress, so I try to spend more time Thanking God I am going to recover someday instead of feeling sad. I am still looking at about three more weeks here at Parkview before I can walk again. Your cards and letters make the day so much brighter. The address is: Angela Dunn, c/o Parkview Hospital, 2200 Randallia Drive, Room 516-1, Fort Wayne, IN 46805.

I miss Warren and my home, family and job, but I will get better. Again, thank you from the bottom of my heart.

Angela Dunn

### HALLOWEEN IDEAS: FIVE-MINUTE COSTUMES

There are three kinds of people: Those who never spend more than five minutes on a costume; those who never spend less than five hours; those who spend five minutes, but make it look like five, hours.

Here are some costume ideas that will put you in the latter category.

For women: Here's your chance to go glam or daring. Remember that two hours into the party everyone will have their costumes off. Who wants to look frumpy?

Ghost: The old standby can be gussied up by painting makeup on your sheet. If you have an extra sheet and 10 minutes, make a ghost head out of a separate piece. This way you can remove it when you want and still look cute in your flowing ghost costume.

Miss America: Dig out your old formal or prom dress. Now find that glitter you bought too much of last Christmas to make yourself a crown. Make the sash with wide ribbon. Creative variations include Miss Mars, Miss UFO.

Chinese Doll: Paint your face white, add bee-sting lips and circle cheeks. Wear a silk robe and black wig.

For men: Because of the movie about pirates, pirates will abound this year, so if you think ahead you can still be fabulous. Here are the ingredients: Cutoff jeans; Big hoop earring; bandana for head; long wig; rough beard; stripped shirt or one with big sleeves; fake knife strapped around waist; Bottle with XXX on it.

50s sock hopper: Straight tight jeans, loafers, white socks, side burns, lots of hairdressing.

Jimmy Buffett: Hawaiian shirt, shorts, parrot on shoulder, straw hat, long-neck beer. In other words, what you wear in July.

### CARVING THE PERFECT JACK-A-LANTERN

· Put the pumpkin on newspaper and see if it stands up evenly. If not, cut off the bottom so it stands up straight. Place the pumpkin in a bowl so it won't roll while you carve.

· Cut a round top at an angle so it doesn't fall in. Scoop out the seeds.

· Draw a face on the pumpkin and then poke holes every half inch along the outline. You can then easily cut the face, carving from hole to hole. Push the cut pieces out from the inside.

· Cut a hole in the bottom the same size as your candle. If you cut the bottom off to make it stand straight, put the candle on a dish and set the pumpkin over it.

· Cut a vent hole in the top so heat can escape. Your pumpkin will last longer.

· For an artistic pumpkin, buy a book of patterns for cats, witches, and more from a craft store.

### HALLOWEEN SAFETY TIPS

· Never go into a home without an adult. Parents should make sure an adult goes with each group.

· Go only to homes of friends and relatives, or to houses that have a porch light on.

· Avoid trick-or-treaters who are making trouble.

· Have a flashlight and reflective tape on costumes and bags.

· Walk on sidewalks and observe safety rules for crossing streets.

· Never eat treats until you get home, and your parents inspect them. Only eat wrapped candy.

### CRIMESTOPPERS

Crimestoppers requests your assistance in solving the following crime:

On Wednesday October 22<sup>nd</sup>, Deputy Ron Boxell was dispatched to the Catherine Taylor residence located at 11753 South Milo road in reference to a stolen vehicle.

Upon Officer Boxell's arrival Mrs. Taylor advised that that morning she looked outside and noticed that her garage door was open and that the garage lights were on. Upon further inspection she noticed that her 1987 Buick 4-door blue passenger car with Indiana registration of 35B3742 was missing. There were no signs of forced entry into the garage and the keys may have been left in the vehicle.

Crimestoppers requests your assistance in solving the following crime:

On October 19, 2003 someone gained entry into a storage unit being rented by a Max Walker located at 3020 W. Park Drive. It is believed that the thieves gained entry into the storage unit on Sunday October 19, 2003.

Thieves gained entry by prying a lock off of a rear part of the building and pulling away a portion of the wood siding and were able to gain access to the rest of the area. Once inside the thieves stole a 1000 watt generator, (4) pallets of sandstone, a pallet jack and a carved Indian head with the initials of "DDS" in the back. In all approximately \$4,200 worth of items were stolen.

Crimestoppers assists law enforcement by offering cash rewards for information leading to the arrest and prosecution of crime suspects. If you have information regarding this or any other incident, or if you know the location of a wanted criminal, please contact CrimeStoppers at (800)237-7867 or the Huntington County Police Department, (260)356-8316 for Deputy Chris Newton. We honor your desire to remain anonymous.

### HELP-A-NEIGHBOR

For employees of MarkleBank, giving back to their communities and to those in need, has become as much a part of their business as checking accounts and loans. Staff members of the locally owned and independent community bank will gear up for the Holiday season by holding a two-week "Help-A-Neighbor" Food Drive to collect non-perishable and canned food items for local food banks between Saturday, November 1 and Saturday, November 15, 2003. The bank's goal is to collect 7,000 items.

Considering the organization's recent history, that goal should be within reach. In 2001, staff members and the bank's customers teamed up to collect more than 1,300 pairs of shoes for children in the impoverished Caribbean na-

tion of Haiti. In 2002, the bank collected close to 7,000 pairs of socks to send to orphanages in Romania.

"With nearly everything we do, we pay attention to how it will benefit the community and recently we have completed projects that have supported the global community," says MarkleBank President & CEO Travis Holdman. "We know that there are people in Wells and Huntington Counties that are in need right now and this is just another way that we, as an organization, can help Bridge the Gap for the people who live in our communities."

Donated items can be dropped off at any of MarkleBanks five offices, located in Markle, Bluffton, Warren and Huntington, and at Markle Insurance Service's in downtown Markle. Bank employees will sort and repackage the items for delivery to food banks. For more information on where to drop off items, please call the bank toll-free at (888)758-3111.

### DONATE YOUR CAR

Donating your vehicle may be worth more than you think.

Oct, 2003 - The biggest problem most people face when buying a new car is what to do with the used one. There are 3 basic options - trading it in means taking less than it's worth, selling it means dealing with a lot of inconvenience, donating it means getting an itemized tax deduction for it's true value and helping a favorite charity.

That's where cars4charities comes in. They handle the entire donation process, from start to finish and send the entire net proceeds to the charity you select. The process is effortless for the donor. Owners simply log onto [www.cars4charities.org](http://www.cars4charities.org) or call cars4charities at 1-866-448-3487 and the vehicle is picked up in a matter of days, free of charge. Cars4charities handles all the logistics and provides the donor with all appropriate tax paperwork. "This is a great program for people who want to help a charity, but aren't able to make a significant cash contribution," says Karen Campese, CEO of cars4charities. "They can donate a vehicle they no longer need, support the community and be eligible for a valuable tax deduction. It's a win-win situation for everyone."

For more information, visit [www.cars4charities.org](http://www.cars4charities.org) or call 1-866-448-3487 (GIVE-4-US).

the run" because you are so busy? Has private time with God become bit and miss? Let me challenge you to see what God can do for your children and their teachers and administrators and bus drivers when you are faithful to pray on a regular basis with other believers.

"Where two or three are gathered in my name, there am I in the midst of them." Matthew 18:20

If you have a desire in your heart to get together with other Mom's from Salamonie School and pray for our school, please give me a call at 260/758-2606 and I will try to set up a time either each week or every other week to get together with all who are interested. We only meet for one hour to just pray for the children, the school, teachers and staff, and bus drivers. This invitation is for mothers, grandmothers, an aunt or friend who is willing to pray for our students.

"Pour out your heart like water before the face of the Lord ... Lift up your hands toward Him for the lives of your children." Lamentations 2:19

If you are not praying for your child, WHO IS?

Thank you for your consideration! I look forward to hearing from you.

### FREE BASIC HOME REPAIR CLASSES

Do you consider duct tape a household necessity? Is a flickering lamp "disposable"? Have you ever wanted to enlarge your closet or install a light fixture?

Learn the meaning of the term "do it yourself" in these free, Basic Home Repair classes at the Southern Wells Branch of the Wells County Public Library. With some simple instruction, even the most tool-challenged man and woman can learn to keep their house running a little smoother.

"These classes are for anyone who's ever pounded in a nail with the heel of their shoe," Deb Perry, community relations manager of the library, said.

"It doesn't matter if you are a newlywed, a single mom, or a brawny 6-foot guy who was just never taught how to fix a leaky faucet. This is your chance to learn basic home repair and maintenance in a fun, relaxed atmosphere. No one is going to feel stupid."

The series begins on Thursday, Nov. 6 and continues every other week. Participants can expect hands-on training with common sense instruction.

Topics include electrical theory and safety, single pole switches, three and four-way switching, plumbing with pvc and cpvc pipe, soldering copper pipe, leaky faucet repairs, insulation and weatherizing, dealing with unwanted moisture, ground fault interrupters and basic wood framing. A variety of topics will be discussed each night.

Greg Miller, building trades teacher at Southern Wells High School, is the repair guru for this series. A construction veteran, Miller spent 17 years as an independent contractor and five years as an electronics engineering technician with Indiana & Michigan Electric Co. before going into teaching.

He has served as an officer for the Indiana State Building Trades Workshops and on the executive committee of the Indiana Vocational Trades & Industry Technical Teachers Association (IVTITTA). Miller received the IVTITTA Building Trades Teacher of the Year Award in 1991.

"As expensive as running a household is these days, keeping up with simple home repairs is terribly important," Perry stressed. "Dripping faucets and running toilets raise your water bills. Wind blowing around your windows and doors raises your heating bills. If you hire someone to change a simple electrical plug or toss out a flickering lamp, it's money out of your pocket. This is your chance to learn how to

do it yourself."

Classes are Thursdays, Nov. 6 & 20 and Dec. 4 & 18 from 6 to 8 p.m. at the Southern Wells Library Branch (easy to find in the high school commons).

Participants can attend one or all of the classes, but they are encouraged to attend the first class to get the teaching schedule.

Classes are open to all Wells County residents. Participants do not have to live in the Southern Wells school district.

Classes are free, but please register. Class size is limited. Sign up soon by calling the main Wells County Public Library at 260-824-1612 or the SW Branch at 765-728-8035.

### BIRTHDAY CELEBRATED

Virginia Olson, a resident at the UMMH, had a min-celebration of her 90th birthday (11 Oct) with daughter Geraldine Love, granddaughter Jayce Kazanova & 3-yr. old great-grandson, Dylan Kazanova. The grand celebration of this happy event will take place at the Rittenhouse Restaurant in Bluffton on the 26th. Her children, Richard & Geraldine Love (Chicago) & John & Mary Duerr (Leesburg, FL) will be joined by granddaughters Juie Hosier & friend, Greg; great-grandchildren Chapman & Grayce Hosier, Tom & Joyce Kazanova & great-grandson Dylan Kazanova.

### PRESCHOOL STORY TIME

Little Panther Pre School attended three times at the Van Buren Public Library for Story Time on Wednesday October 22, 2003.

As each group entered they were able to choose an animal mask to wear. Karen read "The Pumpkin Patch Parable" by Liz Curtis Higgs and "Jack O'Lantern's Scary Halloween" by Robert Kraus.

The children are studying about parts of the body at Pre School. Karen read "Fun Facts about Bones" from the Humpty Dumpty's Magazine. We found out when each child is fully grown he or she will have a total of 206 bones. We also found out a few other important facts. The children shared with me some of the names of the different parts of the skeleton. The children as young as they are learning a lot in PreSchool.

To carry out the Halloween Theme, as Karen called the names of the different animal masks the children were wearing the sound or the action of that animal came from the child. It was a lot of fun to see and hear the children.

The children were able to check-out one book to take back to Pre School for Mrs. Green to read.

Those attending were Matthew Ashley, Christian Bratcher, MiKayla Cordill, Scott Garrison, Emma Huffman, Cash Lee-Suddarth, Sydney Pattison, Jake Taylor, Tylon Wright, Kaylee Morgan, Nathan Smith, Emily Morgan, Evan Baker, Brooke Bollhoefer, Katelyn Buis, Kaitlyn Butler, Dillon Embry, Aleighcia Gray, Jarren Griffith, Steven Jones, Joey Kerschner, Heaven Kirkpatrick, Kessler Lee-

Suddarth, Logan Marley, Grace Pluimer, Julien Roseberry, Anna Roush, Brandon Stevens, Levi Theurer, and Faith Wiggin.

### AFTER SCHOOL STORY TIME

Fifteen children attended the Halloween party at the Van Buren Public Library after school Friday October 24, 2003.

As the children signed in they received a Halloween word search to do. Alisha Schuiteman read a Halloween book from the Halloween book collection we have in the Children's Department of the library.

We went outside to play some games. We played a relay game. The children formed two lines. Each child had to run, put on a shirt, a mask and a hat, face the rest of the kids and say Trick or Treat, run back to the line and tag the next person. The children really enjoyed this relay. The next game we played was charade. The children had to act out the Halloween character they were going to be this year. No talking was aloud. This was a challenge but each child did pretty well.

Refreshments were popcorn and candy. Those who attended were Lindsay Schuiteman, Wesley Schuiteman, Icily Baker, Rikki Reneer, Autumn Smith, Nixon Smith, Brittany Jones, Cameron Riddle, Hanna Boucher, Korisa Kitts, Kaley Kitts, Laquita White, David Irwin, Hallie Wetherington and Logan Wetherington.

Next time we meet will be during Fall Break, Thursday October 30th. We will be having a Bingo Party with books as prizes. We are going to have a GREAT Time. Hope you can join us.

### HONORS LOCAL AGENT

William E. Shuttleworth, President of the Shuttleworth Insurance Agency of Warren, was recently recognized for professional leadership and advanced knowledge by the Society of Certified Insurance Counselors (CIC), a leading national insurance professional organization.

Mr. Shuttleworth was awarded a certificate marking more than fifteen years of participation as a designated CIC, which requires annual completion of advanced education and training.

"Bill's ongoing allegiance and support of the CIC Program is a testament to the value he places on 'real world' education and customer satisfaction. Your clients, associates, and the insurance profession as a whole will benefit from such dedication," cited Dr. William T. Hold, CIC, CPCU, CLU, President of the Society of CIC.

The Society of CIC is a not-for-profit organization of The National Alliance for Insurance Education & Research, which is respected throughout the insurance industry for the high standards maintained in the hundreds of institutes conducted annually in all 50 states and Puerto Rico. Other programs conducted through The National Alliance include the Society of Certified Insurance Service Representatives (CISR), Certified Risk Manager (CRM) Courses, James K. Ruble Seminars, and Dynamics of Selling and Sales Management Programs.

### FRITZ BOXELL RETIRES

Fritz Boxell has retired from the Warren Public Library after 15 years of service. A more conscientious or faithful worker could not be found. From the day she started working at the library in April 1988 until this summer when she worked long hours to return the library to normalcy after the carpet was laid, her dedication to the library and to reading has been obvious.

She has always been willing to work, sometimes putting her plans on hold, and always willing to do any task that needs to be done. Her knowledge of classics and poetry and her ability to recite poems is impressive. Her smile and interest in patrons will be deeply missed.

Best wishes in your retirement Fritz. No one is more deserving.
