## BROYLES IS 2014 PIONEER

This year's Samuel Jones Pioneer Award winner was honored at the annual breakfast on Friday morning, July 4 at the Knight Bergman Center.

The winner of the Samuel Jones Pioneer Award embodies the meaning of service, compassion, and love for others around them. When I think of who would be most deserving of this award, I think of my dear friend who has served as one of the biggest influences in my life. As a teen in high school, she welcomes me to the Bread of Life Food Pantry and to Love In The Name of Christ (Love, Inc.) to help out. I was instantly struck at how giving and devoted she was to all of those in need around the town of Warren, and not once in the hundreds of hours I have served since then have I seen her without a smile on her face, happy and willing to serve others.

You will see him interview Dr. D.C. Souder and his son Phillip Souder as they tell the story of the United Methodist Memorial Homes exciting ministry to the aged. If you were around when that happened or are new to the history of this wonderful place of residence, YOU WILL WANT TO COME TO THE APPLGATE CHAPEL Wednesday, July 9th for the 7:00 p.m. showing. We'll have the 16 mm Projector ready to show you some historic footage of days gone by. The home is in the process of having these films put on DVDs for purchase real soon. We hope to see some of you there.

## FESTIVAL REPORT

The Warren Sportsman's Club would like to thank everyone who supported us this year during the SSF. We would like to announce the winners of our raffles and giveaways.

The Fishing Derby was held on Saturday, July 5th from 11:00-1:00. We would like to thank Langston Estates for letting us use their lake again this year. We had more kids participate than ever before. We had three age

categories for this year's Derby. Age Group # 1 was children up to the age of 8. Largest Bass was caught by Aiden Justice. Largest Bluegill was caught by Jalee Bowers. 2nd age group was children 9-11. No one caught a Bass so we gave away 1st and 2nd place for bluegills. Largest Bluegill was Darren Jackson. 2nd largest bluegill was Schuyler Cassidy. 3rd age group was children 12-15. Largest Bass was caught by Alysha McPhearson. Largest Bluegill was caught by Jack Kaisen. All kids and adults had a great time.

Our Raffle winners were: Parker Enforcer Cross Bow won by Pam Steffens. Longaberger cake basket was won by Summer Jackson.

During our Open House we had Free Fishing Games for kids 12 and under. We gave away a fishing pole to a girl and a fishing pole to a boy. The winner of the girl's pole was Jalee Bowers and the winner of the boy's pole was Camdon Connors.

During our Open House we had Cross Bow Safety Training at the back of our building. This was a very busy place from 5:00-9:15. During this time an exciting thing happened. Makayla Harrold from Montpelier Robin Hooded and arrow. This means that she shot one arrow and then her second arrow hit the exact same spot and split her 1st arrow down the middle. Both arrows were lodged together. She was given her arrows as a souvenir of the event. This is even more amazing since she had never shot a bow before. What a great time we had this weekend. A very successful SSF.

Thanks again for supporting the Warren Sportsman's Club.

### THE UPTOWN GARDENER

by Ruth Herring

What great weather we had for the festival this year. Hope all of you enjoyed your time with the long weekend. Thank you to all the people who had part in planning this years event. It is a big chore and we need to realize how much time and effort is given to those who had part in planning the event. For many of the early years from the first festival forward I was a part of the festival in one place or another in planning. You give many hours of your time that is often unseen. So a big THANK YOU to all who served this year.

In my backyard 2 tomato plants and 6 bean bushes they are coming along great I have picked enough beans for me a meal and how great they tasted. There is plenty more coming on so look forward to that. Soon will have 1 ripe tomato. Also I have enjoyed fresh lettuce and peanut butter sandwiches for lunch. That is one of my favorite summer time treats.

This summer with the much rain the rose bushes are suffering black spot which I have been trying to clean up. It is caused from too much rain and humidity. one of the best cures I have found is to bathe the bushes in a solution on 1 ounce of milk mixed into 1 cup water and apply it early morning or late evening, when it has time to dry on the plant. Trim out all the infected areas as much as possible and discard what you trim away. It may take several times to apply but eventually it will help and when watering, water at the base of the plant and try keeping as much as possible away from the foliage of the plant. It is good to also feed it a couple times during this blooming season. I save left over coffee and grounds and pour it over the base of the bushes it provides some acid to soil. I also do this in the winter, so when you see me out in the cold and snow with my coffee pot I am just helping Mother Nature along and thinking spring.

Treva has informed me that the next 2 issues she is going to write about an experience that happened in our family life that was rather frightening at the time. Some of you may recall it being in many newspapers at the time it happened. This will give me a nice break for a while. So happy summer, gardening, vacationing or what ever you might be planning.

Here is a summer kind of salad I like that has not really a recipe to. Dice fresh tomatoes, summer squash, red and green peppers, green onions and fresh chopped basil, make an oil dressing of 1/3 cup sugar, 1 teaspoon garlic powder or fresh garlic rubbed generously around the inside of the bowl, 1/2 teaspoon celery seed, few flakes of red

### THE PIRATES ARE COMING!

Pirates of Penzance Opens July 18

Lock your doors! Save your daughters! Hide! The swashbuckling Pirates of Penzance are storming into town on July 18!

The Pulse Opera House will be the scene of high seas hijinks set to the soaring music by Gilbert and Sullivan. The music is soaring and joyful. The characters are larger than life. The show is simply fun.

The Pirates of Penzance was first produced at the Pulse Opera House in 1996. Several of the original cast members are in the cast, but what is even more fun is there are several offspring in the cast. Darren and Julie Turney were just dating in 1996, but their children Noelle and Hixon are joining them in the cast this time. Noelle is playing the role her mother played eighteen years ago. Lina Willard wasn't born yet when her dad was in the show. Today, she is playing Mabel. Her brother Stephen is playing the role their dad played in 1996. Cast members from the original production include Darren Turney, Cheryl DeWeese, Janna Fisher and Julie Turney. The Pirates of Penzance is truly a Pulse family show.

This high spirited show is very family-friendly and highly recommended for children of all ages and adults who are children at heart.

Performances are scheduled for July 18, 19, 24, 25, 26, 31 and August 1, 2, 7, 8, 9. Tickets are \$14 for general admission and \$5 for children 12 and under. The lobby opens at 7:00 pm. Theatre doors open at 8:00 pm and the show starts at 8:00 pm. Reservations may be made online at www.pulseoperahouse.org or by leaving a message at 260-375-7017.

## ON YOUR WAY UP

The Youth Services Bureau of Huntington County is seeking donations for its On Your Way Up program.

The On Your Way Up, a program of the Youth Services Bureau of Huntington County continues to meet the needs of families in Huntington County, said YSB Executive Director Jan Williams. The program began in 1997 at the request of young parents who needed assistance in obtaining items for their children.

The program has three primary components. The On Your Way Up store is the typically entry point into the program. Parents can earn "voucher" dollars by participating in healthy activities for themselves and/or their children. There are 18 community partners who present the vouchers to their clients. Community partners include but not limited

to: WIC, Parkview Huntington, Huntington Health Department, Healthy Families, Early Head Start, local physicians and Bowen Center. Activities include; obtaining pre-natal care, well baby check-ups, remaining in school, and participating in community resources.

Items that are available in the store include; gently used clothing newborn to size 5, diapers, toys, educational books and puzzles, safety items such as gates, locks, etc. and various other items most often needed by families with small children. The program depends heavily on community donations for the majority of items offered in the store. Due to federal guidelines car seats, high chairs, cribs and strollers cannot be "used" if provided by the YSB. Donations of gently used clothing, toys, books, monetary donations are always needed. Gifts are tax deductible.

The store is located within the Youth Services Bureau's office located at 1344 Maple Drive. The hours are every Wednesday 10 a.m. until 3 p.m. Families unable to visit during open hours may call the office at 260-356-9681 to schedule an appointment. Educational and informational materials are available at the store. Information includes immunization timelines, lead poisoning, safe sleep, Parkview Live and much more.

The second component of the program is the one-on-one, on-

going support. "There are times when a parent just needs someone to walk them through a rough time," stated Ira Bencun, program coordinator. Additional referrals to other community resources can also be made to help provide the supports the family may need.

The final component is the child safety seat, "Fitting Station". This provides parents with information on the appropriate type of car restraint their child needs, proper installation and possibly the availability of an age appropriate child restraint.

To learn more about the On Your Way Up program or to donate to the program contact the office at 260-356-9681 or visit the store at 1344 Maple Drive, Huntington, IN 46750.

## BLOOD DRIVE

The American Red Cross urges eligible blood donors to roll up a sleeve and give to help prevent a summer blood shortage. Blood donors with types O negative, B negative and A negative are especially needed.

The Red Cross is seeing fewer appointments at its blood donation centers and blood drives this summer than what is needed to ensure blood and platelets continue to be available for patients. During the summer months of June, July and August, on average, about two fewer donors make an appointment to give blood at each Red Cross blood drive than what patients need. This can add up to more than 100,000 fewer donations during the summer.

Blood and platelet donations are needed every day for patients with many serious medi-

cal conditions. Accident and burn victims, heart surgery patients, organ transplant patients, and those receiving treatment for leukemia, cancer or sickle cell disease may all need blood.

To learn more and make an appointment to donate blood, visit [redcrossblood.org](http://redcrossblood.org) or call 1-800-RED CROSS.

Upcoming blood donation opportunities:

Thursday, July 31 from 2:00 p.m. until 6:00 p.m. at Knight-Bergman Center, 132 S. Nancy Street in Warren.

"We are very excited to host the USA Track and Field Junior Olympic Regional Meet," said Culler. "It will bring hundreds of junior high and high school track athletes and their families to our campus and give us an opportunity to treat them to some HU

hospitality as well as showcase our new track and field facility.

"We're looking forward to the event and hope to develop a long-term relationship with the USA Track and Field Association."

"Erin's House continues to grow not only because the need continues to grow but because the communities we support know that no child should grieve alone."

Anyone interested in attending this seminar can contact Erin's House for Grieving Children at 260.423.2466 to register or visit the website at: [www.erinshouse.org](http://www.erinshouse.org).

About Erin's House for Grieving Children

Erin's House was founded in 1993 in honor of all grieving chil-

dren and their families. The idea for Erin's House was created when a 5-year old Fort Wayne girl named Erin Farragh died unexpectedly in 1989; the subsequent grief her surviving brother and sister experienced inspired the adults in their lives to take this idea and grow it into what it is today. To date, the organization has served more than 15,000 individuals throughout northeast Indiana, and it continues to provide support services for children, teens and their families who have suffered the death of a loved one. As an industry center for excellence, Erin's House is continually reviewing its programs and services to ensure they are effective for children, teens and their families. All Erin's House programs and services are provided at no cost.

### MORE PG 1 PIONEER

Rose Broyles.

Overall, Rose has served, at Love, Inc. for the past eight years, and for the past five years, has served as the director and coordinator of the Bread of Life Food Pantry here in Warren. She is still involved in both organizations where she now averages over twenty-five hours of service weekly. At the Food Pantry, Rose takes on multiple responsibilities which include paperwork for the government and families, purchasing needed items, stocking shelves, organizing, preparing different food bags, and

delegating work to other regular workers. Additionally, Rose helps needy families access other important resources, which includes financial, educational, and health related areas and organizations.

Rose works closely with area churches, and other individuals for donations and support of the pantry. Additionally, Rose seeks support from government commodities that flow through the Community Harvest Food Bank of Northeast Indiana, Inc. Bread of Life Food Pantry also sponsors the Warren Community Garden, where she also takes a hand in leading. She helped bring the vision of the Community Garden to life, now serving as an educational garden for children and adults in the community. Here people have the opportunity to learn how to plant, grow, harvest, and to take pride in the food they eat.

On top of all of this, Rose is heavily involved at the Solid Rock United Methodist Church, where she serves as a Fruitful Congregations member and the leader of the Risk-Taking Missions small group. She constantly provides people with chances to get involved and help others, and serves as a great example of how God calls us to serve others. She knows the true meaning of service as a great example of how God calls us to serve others. She knows the true meaning of service and has been a true role model; exemplify ways in which we might impact those around us in the town of Warren.

I feel that she so often sacrifices hours upon hours of her time, and her devotion and compassion go unnoticed to the public eye. In all her humility, she does not bring attention to herself—her motives are more pure. I am not sure she realizes just what a tremendous impact she has had on others, and I am not sure the community does either. I think this award would be a perfect opportunity to help her see what a blessing she has been in the lives of so many, that she really is a small-town hero, and that she is indeed appreciated by the Warren area.

### MORE PG 1 COMM SERVICE

meeting was to organize a non-academic sorority which would bring to its members the advantages of friendship and mutual accomplishments offered by a college sorority, with the further benefit of unlimited, active participation.

It is to our Five Life Founders

that we owe our gratitude for the founding of Sigma Phi Gamma. Because of their devotion and loyalty throughout the formative period of Sigma Phi Gamma and their continued interest, Sigma Phi Gamma bestowed upon the five Founders the highest honor of the sorority, that of Honorary Life Membership. The Five Founders are: Edith Bocock, Phyllis Langstaff Royce, Ferne Palmer Shick, Violet Pettit Tindall, and Irene Waters Worley.

Beta Delta Chapter of Sigma Phi Gamma International Sorority, Inc. exists by virtue of a Charter granted on January 5, 1946. The Charter Members of Beta Delta Chapter are as follows: Garnet Brauchla, Mary Jane Adsit, Ellen Briggs, Jane Clouse, Velma Fryback, Mary Helen Huffman, Minnie Moore, Darlene Ryan, Doris Schemerhorn and Bertha Stanton. Our service activities throughout the year include Sunday Luncheons & Bingo during the Salamonie Summer Festival. We also support various other worthy causes within the Warren Community.

The high standards set forth by our Founders have insured the growth of Sigma Phi Gamma through the years. Love and Friendship and our service work that is performed at Chapter, Province and International levels have inspired an enthusiastic expansion program which has added new chapters each year. We are now recognized as one of the strongest non-academic, international sororities in existence, and our International Conventions are attended annually by as many as 500 members.

We now have more than 3,577 active members in 131 chapters the United States and Canada. Seven elected International Officers supervise and coordinate the work of the entire organization for the best interests of its members.
