FALL BAZAAR

The Jefferson Center United Methodist Church will hold its annual Fall Bazaar on Saturday, October 20, from 10:00 a.m. to 2:00 p.m. The bazaar features handmade crafts and baked goods, as well as a Christmas shop. A soup and sandwich lunch will be served starting at 11:00 a.m. The menu will include vegetable and chili soups, hot dog or barbecue pork sandwich, a variety of home-baked desserts and drinks.

The Jefferson Center Church is located at the corner of Huntington County Roads 900 South and 300 West. Proceeds will benefit local church missions, and the New York Relief effort.

OCTOBERFEST

Warren Area Kiwanis will be hosting a Halloween Night alternative to "Trick or Treating" with its annual Octoberfest, moved back to Halloween night, October 31st. The event, to be held at the Knight Civic Center, will run from 6:00 - 8:00 p.m. and will feature the standard assortment of activities for those of all ages from apple bobbing to "fish pond" to crafts to golfing, and much, much more. Could there be a fun maze too? And of course, treats will be available to be won or just for attending. Plan for a fun night within the friendly confines of the Knight Civic Center.

16 YEARS AS TRUSTEE

Perry Spahr has recently completed sixteen years as a member of the Warren Public Library Board of Trustees. By law, sixteen years is the maximum number of consecutive years that a person can serve on an Indiana library board.

Library board members serve without remuneration. The board meets monthly to oversee the operation of the library and set the library's policies and budget. The library board consists of seven members. Board members are appointed to serve four-year terms by the school board, town board, township board, county council, or county commissioners.

The public library board is comprised of people from various background experiences, educational levels, and areas of the library district. A trustee must be

able to make wise policy, be well acquainted with his community and its needs, and have the ability to work well with others. Mr. Spahr has served the Warren Library Board as treasurer and president, overseeing the renovation of the basement, addition of a platform lift for accessibility, and many other projects.

Congratulations, Perry, on serving the community well for the past sixteen years.

NAMED TO BOARD

George Kriegbaum has been appointed as a trustee of the Warren Public Library. The appointment was made September 26 by a 6-0 vote of the Huntington County Community School Corporation Board of Trustees.

The term will run from this October 1 through September 30, 2005.

BEALS TO PERFORM

Hillcrest Church of Nazarene welcomes Nathan Beals for a concert Sunday evening, October 28 at 8:00 p.m. He will be singing a few songs Sunday morning. Come hear his beautiful voice in person. Everyone welcome.

HARVEST PARTY

Nazarene Church is having a Harvest Party, October 27 at 6:00 p.m. Hay rides, games, candy pinata and the best chili and hot dogs you have ever eaten. Come join us. Everyone welcome.

RECEIVES COMPUTER

The Warren Public Library has received a Gateway Computer through the Bill and Melinda Gates Foundation and the Indiana State Library.

The computer offers the following programs: Office 2000, Encarta Reference 2001, Expedia Streets and Trips 2001, 3 Magic School Bus programs, several Arthur and Barney programs, as well as PJ Reader Series and Math Success Builders and others.

The computer is the same as has been placed in other Indiana libraries. One of the built in features of the granted computers is that nothing can be saved to the hard drive, therefore, to save an

Office 2000 document, you must bring your own floppy disk.

SUPPER OCT 25

The Liberty Center United Methodist Church will be hosting a Fish/Tenderloin Supper on Thursday, October 25. Dinner will be served in the Fellowship Hall from 4 to 7 p.m. Tickets are: Adults (13 & over) \$6.50, Children 5-12 \$3.50 and Children 4 and under Free.

The Fish & Tenderloin will be prepared by Dan's Fish Fry and carry-outs will be available.

SENIORS & PNEUMONIA

Indiana's older adults are missing out on an important healthcare measure, and Aging and In-Home Services of Northeast Indiana wants to help get the message out.

Asking about the pneumonia shot is a simple step older people can take to help protect themselves against serious illness. Each year in the United States pneumococcal disease is responsible for some 12,500 deaths. People over 65 should ask their healthcare providers about the pneumonia shot during their next call or visit, or when they receive their flu shot.

Statewide, 51.6 percent of older adults in Indiana reported getting pneumococcal vaccination in 1999, a 13.6 percent increase from 1997 figures. Despite this improvement, these percentages are nowhere near the national healthcare goal of 90 percent by Healthy People 2010.

People may not realize the seriousness of this illness. Estimates of Americans suffering from pneumococcal infection of the lungs (bacterial pneumonia), blood (bacteremia) and brain (bacterial meningitis) each year range from 170,000 to 630,000. Yet, according to the Centers for Disease Control and Prevention (CDC), only about half of adults age 65 and over have been vaccinated against pneumococcal disease. The vaccination rates are even lower for minorities. Only about a third of African-Americans and Hispanics over 65 years of age have been vaccinated.

Aging and In-Home Services of Northeast Indiana is focusing attention on pneumococcal vacci-

nation during Adult Immunization Week, October 14-20.

Pneumococcal vaccination, unlike the flu shot, can be given at any time of the year and is 100 percent covered through Medicare Part B through a certified provider. Most people 65 and older only require one shot, though some may need revaccination after five years. Vaccination may be appropriate for those uncertain of their vaccination history. The CDC recommends pneumococcal vaccination for everyone over age 65 and those two years of age and older with certain underlying medical conditions, including weakened immune systems. Side effects may include some local reaction or soreness at the injection site. Fever has also been reported. The pneumococcal vaccine should not be given to those who are allergic to any component of the vaccine or to people with moderate or severe acute illness until their condition improves. It is important to remember that pneumococcal vaccination does not protect all vaccinees. Individuals should talk to their doctors about the risks and benefits of vaccination to determine if it is appropriate for them.

COUNCIL NOTES

On Monday evening, Oct. 8, the Warren Town Council held their first meeting in the Town Hall Annex. All future Council meetings will be held there. President Harold Jones opened the meeting at 6:30 p.m. with the Pledge to the American Flag.

As this was the first meeting of Council since the September 11 tragic events in New York City and Washington DC, a moment of silence was observed.

Minutes of the previous meeting were approved as submitted.

David Scheib reported on the Park Board meeting prior to the Council meeting. He reported that Ryan Campbell had agreed to disc the baseball diamonds in Tower Park in order that they can be redone before next year's season.

Scheib said they had located two score board score panels. It was believed there may have been three panels since there are three score boards. If anyone knows if there is a third panel, of the where-

abouts of the panel, they are asked to contact Scheib or the Clerk-Treasurer's office.

The Park Board asked permission to contact Larry Gervin of Markle for tree trimming estimates at Tower Park.

The Park Board also has scheduled the next meeting for the second Monday in March. There are to be no more meetings this year unless needed.

Council had received IDEM correspondence concerning the Wastewater project and discussed the Engineer's response to IDEM. Timetable for the project was updated.

The water project was reported to be moving along. Lines and cabinets had been installed in the building at Tower Park. It was expected to be in operation the week of October 22.

The "Indiana Downtown" project meeting is scheduled for Nov. 12 at the Town Hall Annex. The committee will be meeting with Hyett and Palma, consultants for the project.

It was hoped the leaf vac and street sweeper would be delivered by the end of the week.

Starting Oct. 14 leaf pick-ups will be on Monday and Fridays and as needed.

It was reported landscaping has been completed at the Warren sign at the North edge of Warren with some additional work planned on the site.

A copy of the Electric Systems Study (Power Systems Engineering) had been sent to the consultant with copies also directed to the Utility Manager and Council. The study provides a plan for improvements to the distribution system.

Resolution 8-2001 was adopted, pertaining to Reduction of Appropriations in this year's Budget to meet the needs of the 2002 Municipal Budget.

Trick or Treat hors for Warren were set for 6 to 8 pm. on Halloween night, Oct. 31.

Council agreed to order awnings for the Town Hall Annex from Marion Tent and Awning to match the Town Hall awnings.

Improvements to date at the newly purchased Annex Building include new carpet and chairs.

KUDOS, KICKS & KARATS

HELLO,

My name is Vicki Foster and I am searching for a friend of mine, from childhood, by the name of Johnnie Ekwall. I found a phone number listed in her name in Warren. When I called it, the number was disconnected. It was a nice surprise to see the town of Warren on the net, so I decided to try asking how much it would cost to put an add in your local paper in hopes of finding my friend Johnnie. Thank you so much for your time.

Sincerely,
 Vicki Foster

OCTOBER IS

NATIONAL BREAST CANCER AWARENESS MONTH

In its second decade of educational programs, 17 major nonprofit cancer groups sponsor Breast Cancer Awareness Month in 2001. They ask that women of all ages consider their personal roles in breast cancer prevention.

While genetics plays a part in 10 percent of cases, individuals are asked to remember the factors they can control. These include not smoking, reducing dietary fat, and eating a healthy diet rich in fruits, vegetables, and grains.

According to The New England Journal of Medicine, research shows reduced cancer rates in people who eat diets high in fruits and vegetables. Some studies show up to a 25 percent reduction in breast cancer risk among fruit and vegetable eaters.

Although a recent, well-publicized study concluded that this diet makes no difference, the American Cancer Society disagrees. It says the studies in this project were so dissimilar that no real conclusions should be drawn.

Breast tumors take 7 years to grow to a detectable size. Study subjects must be followed 8 to 10 years to see a benefit from a particular diet. This was not the case in the flawed study.

One thing is certain. A diet including many fruits and vegetables is proven to lower your risk of heart disease, diabetes, and other health problems, and possibly cancer as well. And there is no evidence whatever to show that such a diet is harmful.

FEMA PUSHES SAFE ROOMS FOR STORMY AREAS

The Federal Emergency Management Agency (FEMA) says a safe room can be a lifesaver when a tornado or hurricane crashes into your house.

The safe room may resemble a large walk-in closet like the one shown to builders at the National Association of Home Builders convention in Atlanta. But it's built with enough concrete to survive any kind of storm.

The Federal Housing Administration approves. It will let you borrow up to \$5,000 extra on a new home mortgage to cover the price of a safe room. Anyone who is seriously considering a safe room should get the FEMA booklet Protecting Yourself from the Storm.

The booklet is based on 30 years of wind research done at Texas Tech University in Lubbock, Texas, an area that experiences severe winds and tornadoes and has few basements. It says common spots are a large closet, a small bedroom, a bathroom, or even a wine cellar.

In new-home construction, one common construction method uses ICFs, insulated concrete forms. In an existing home, one method is to double up the wall studs, cover them with reconstituted wood called oriented strand board, and cover this with steel plates.

FEMA reports that they receive many inquiries each day about safe rooms, mainly from tornado-prone areas.

CHAUTAUQUA

The Chautauqua club held their Oct. 5th meeting at the home of Sue Blair. The president Lou Ann Shafer opened the meeting with the reading of the collect. Twenty members answered the roll call with their "Favorite Hoosier Expression". The secretary Janet Beavans read the minutes from the last meeting. Treasurer Ann Brauchla reported there was \$68.35 in the treasury. The new books were passed out to the members. The cost for the books were \$36.50. A motion was made and approved that the money be paid for the books, leaving a balance of \$31.85. Cards of cheer were sent to Bertha Turner and Vera Spahr. The program was given by Harriett Tobias. The subject was "How Hoosier Are You"? A lot of facts about Indiana were given. The members had a lot of fun trying to remember some of these facts. At the end of the program there was a short quiz. It was really nice to think of good things about Indiana. It was enjoyed by all! Those members attending were, Barbara Baer, Janet Beavans, Sue Blair, Nancy Bonham, Ann Brauchla, Phyllis Hubartt, Joan Huffman, Mary Emma Huffman, Karen Hunnicutt, Ann Miles, Roberta St. John, Peggy Schweikhardt, Lou Ann Shafer, Ann Spahr, Carolyn Sparks, Harriett Tobias, Alice Whitmore, Avis Yates, Mary Brown, Ruth Alice Christner. The next meeting will be Nov. 2nd. Avis Yates will be hostess.

AFTER SCHOOL STORYTIME

Fifteen children attended Storytime at the Van Buren Public Library. Fire Prevention Week was the topic. Three Volunteer Firemen from the Van Buren Fire Department arrived in the fire truck along with their equipment. The Volunteers were Mr. Roy Bollett, Mrs. Brenda Huffman and Mrs. Jamie Wampner. They each shared how long they have Volunteered. Jamie was the youngest with 2 yrs.

Karen Conwell explained how important their job is and how thankful we are for each and every one of the Volunteers. Some of the children couldn't believe that the Volunteers would put their own lives in danger to save someone else and not get paid for it. We were told there are now 19

Volunteer Firemen in Van Buren. We are so grateful. The firefighters shared some of the ways to prevent fires. They also said 911 was the number to call if a fire did start and we needed them.

We went to see the fire truck. Behind the doors on the truck were a lot of fire-fighting equipment. We were able to walk across the fire truck and see all the levers and gauges that needed to be used while fighting a fire. We were able to hear the horn, see the lights and hear the siren. We went inside the library and Mrs. Huffman put all the equipment on to show us how a firefighter would need to dress to go inside a burning structure to save a life. The children were able to try all the equipment on except the hat. The children really enjoyed doing this. We had a drawing and Tia Henkel won a smoke alarm donated by Hemmick Hardware.

To show how much the children enjoyed the Volunteers coming, they each colored a picture and gave it and said thank-you to them. The Library Staff wants to thank Mr. Bollett, Mrs. Huffman and Mrs. Wampner for coming today and to thank all the Volunteers for their service to the people. We also want to thank Hemmick Hardware of Van Buren for the smoke alarm.

BEAGLE PLACES

A local beagle Grand Hunting Beagle Champion Half Way Mandy owned by Joe and John Brown of Half Way Kennels finished in the top twenty at the United Kennel Club World Beagle Championship at Scotts, Michigan, September 29th and 30th.

Mandy won the cast (group of four) she was in on Saturday to advance to Sunday round of hunting. To advance to final round rabbits must be seen by non-hunting judges. There were no rabbits seen to score so she didn't get to advance. Mandy placed 18th. This is the second year in a row to place in the World Hunt (finished 16th in 2000). We are very proud of Mandy and HalfWay Kennels for her places.

Wabash Ridge Rabbit Hunters Mandy will have puppies due in October out of Hunting Beagle Champion KO's Simply Smooth Bandit. If interested you can call Joe at 219/758-2340 or John 219/375-4164.

PAST PRESIDENT'S MET

Members of Beta Delta Past Presidents met at the sorority room in the Knight Center on Monday, October 8. Glendora Booher and Opal Brubaker were hostesses.

Halloween decorations were used on the serving table.

Opal Brubaker, Pres. Opened with sayings from B. Johnson, author: "God can use reverse to move us forward." "Silence is often misunderstood, but never misquoted," and several others.

Roll call was answered by telling if you expected to have Halloweeners.

Minutes were read by Peg Clark and during business the group decided on a \$2.00 gift exchange on Dec. 10. The money maker was a 4 question quiz.

Whoopie was played and answered by saying "Columbus." Prizes went to Marie Wood, low; Sharon Gebhart, high.

Delicious apple cake and cider was served. Present besides those already mentioned: Betty Yoder, Deb Haupthof, Georgia Poulson.

RURAL FRIENDSHIP

The Rural Friendship Club met in the party room at the United Methodist Memorial Home for their September meeting.

After the luncheon, the regular order of business was conducted.

Roll call was answered by an embarrassing moment you have experienced and for a wise comment you have heard.

Maxine Helms needs our thoughts, telephone calls and prayers.

Joan Huffman will get the lesson for us for next month.

The meeting closed by all repeating the Club Collect.

Present were Viola Blair, Barbara Flak, Joan Huffman, Ada Matchett, Georgia Poulson, Avis Ruble, Vera Spahr, Marie Wood, Mary Andres Vickrey and Nova Roseen Preston.

STORYTIME

Thirty children attended Afterschool Storytime at the Van Buren Public Library. Bingo was played and pizza and sprite were enjoyed by all. We played different games of bingo. There were several winners. Each winner won a book of their choice. Rose Marie Doyle led the Picture Bingo for the younger children. They also

won a book. The pizza came from RJ Pizza King in Van Buren. The library staff wants to thank Astrid Richwine for helping out.

Next Afterschool Storytime will be Friday October 12th. Fire Prevention will be discussed by a special guest.

The display case at the library features Farm Safety. Please, take time to come in and look it over.

On Wednesday October 3rd Little Panther Preschool attended Storltime. They were greeted by Karen Conwell. They were each given a butterfly name tag to wear. Karen read a poem about clean feet. She shared with the children how they were going to make butterflies with their feet. The children had their feet painted then they pressed their feet onto a piece of construction paper. A large craft stick was used for the body and plastic eyes were glued on. Some of the children drew around their hand instead of using their feet to make their butterfly. Everyone had a good time. Each child was able to check out two books to take home and enjoy. Next storytime will be Wednesday Oct 17th.

Those attending were: Drew Ashley, Amy Kerr, Jaedyn Beck, Will Bratcher, Sam VanHaften, P.J. Jones, Emily Webb, Karlee Laypoole, Megan Fetter, Colleen Mealer, Elise Brandon, Autumn Harmon, Samantha Kessinger, Caitlin Imhoff, Kortney Peer, Teacher Mrs Ellen Gray, and Assistant Annette Boucher

STORYTIME AT WPL

Jane Ruble led an interesting story time at the Warren Library on Friday, October 5. She read "My Tooth is Loose", "I Can Read With My Eyes Shut," "Can You Tell Me How To Get To Sesame Street?" and the "Gingham Dog and the Calico Cat" to Sam VanHaften, Connor Sabinske, Lily Sabinske, Spencer Sharpe, Johnna Cummins, Alex Tolen and Amanda Tolen. They also did cat and dog finger plays and Mrs. Ruble had a picture with a gingham dog and calico cat for each

of the children.

Story time is Friday mornings at 10:00.

EUCHRE LADIES

The Jackson Township Euchre Club met October 3 at the home of Florence Taylor. Winners for the evening were Mary Jo Zoda, most lones, Jo Banter - low and Joan Huffman - high. Others attending were Jane Lieurance, Carolyn Carroll, Venita Banter, Phyllis Dickey, "Alpha" Taylor, Jackie Huffman, Marge Jones and Marjorie Michaud.

Next months get-together will be at the home of Venita Banter.

SIGMA PHI

The regular meeting of the Sigma Phi Gamma International Sorority was held October 2nd at the Knight Civic Center. Sandy Eichorn presided in the absence of the president.

Proposed by law changes were read and discussed. Our annual spring chicken supper was discussed and a tentative date in April selected.

The October Social will be October 16th at 7:30 p.m. at the Civic Center. Members will work on favors for our upcoming Alpha Province meeting in March.

After the meeting a party was held honoring Sandy Eichorn. She recently received her 25 year life membership pin.

Those in attendance included the following: Sandy Eichorn, Sondra Zabel, Carol Irick, Elise Smith, Peg Maddock, Opal Brubaker, Betty Yoder, Beth Ostermeyer, Georgia Poulson, Sandy Booher, Peggy Sue Clark, Glendora Booher, Tara Korporal, Marie Wood, Sharon Gebhart, Rosemary Zeller and Susan Ralston.

The next business meeting will be Tuesday, November 6, 2001 at the Civic Center.

IDLE HOUR CLUB

The Idle Hour Club met at the United Methodist Memorial Home for lunch on Monday, October 1, 2001 with Edna Alfeld as hostess.

The afternoon meeting was opened by Violet Yoars, Jane Haley, Mildred Gilbert and Margaret Knight giving readings for their birthdays. Edna Alfeld read "Our Land."

Roll call answered by a "treat you remember most." Minutes of last meeting were read and the treasurer's report given.

Phase 10 was played with Georgia Poulson high and Clara Mossburg, low.

Those enjoying the day besides those already mentioned were: Wilodean Berkey, Freda Finley, Maxine Jones, Devonna Leas, Marjorie Rupright, Helen Trout, Marie Wood.

TRI KAPPA

The October meeting of the Gamma Upsilon Chapter of Tri Kappa convened at Kim Park's home Tuesday, Oct. 2. It was preceded by a Mexican meal prepared by Karen Campbell, Jane Jones and Stacia Pery.

Nonperishable cheer basket items were collected from members present. Committee members Judy Bradford, Kim Park and Deb Furnish discussed additional items that could be added to the baskets before their delivery next month, including meat and fresh produce.

President Debbie Ledbetter announced that Dyveke Cox had a baby girl Sept. 18th, Lauren Gale. Tri Kappa had given Cox a silver baby spoon.

Nut orders can be taken through the middle of the month. Karen Hunnicutt said members should mail their completed order forms by Oct 15. Products will be available for distribution in early November.

Refunds for those enrolled in the August swim classes at Salamonie School are available. Due to unexpected pool maintenance, several lessons were cancelled. Stacia Pery is the person to contact to make payment arrangements.

Members agreed to sponsor an easel in the upcoming Salamonie Day of the Arts. They also agreed to fill various volunteer positions as needed on Saturday, May 11.

The event is being hosted by Salamonie School and take place within downtown Warren. All profits will go toward the Salamonie arts programs.

Cards of encouragement were signed for all Tri Kappa college members. And following the business meeting, Laura Berghoff presented numerous Longaberger products.

Assess Antiques

The Creative Arts Council announces plans to repeat the popular antiques appraisal event. Noted professional appraiser Sally Boose, ISA, will examine and report on antiques brought by the audience on Saturday, October 20, 2001, at 10:00 AM to 12:30 PM at Saint Joseph Church Hall, 17-N. Main St. Bluffton. Cost of admission is \$5.00. The option to have possessions appraised is \$3.00 each, limit 3, with advance registration. Registered antiques may be checked in starting at 9:30 AM. The arts council asks that the audience donate a food item or toy for charity. Lunch (optional) will be available for purchase at 11:30 to 12:00.

Mrs. Boose is an accredited member of the International Society of Appraisers. She owned Candlelight Antiques in Fort Wayne. The Fort Wayne Museum of Art, Allen County Library, Marsh Foundation and other area businesses often consult with her. Her reputation as a "road show" host has grown, drawing large audiences. She is currently working on a special antiques show for PBS-39.

The audience will be treated to more than pricing of valued possessions. The speaker accents her commentary with historic references on how the item was made or used originally. Mrs. Boose is up to date with internet pricing and venues. Her appealing stories and accurate evaluations make for a fine time for the audience.

To attend or to register your antiques, call the Creative Arts Council at 824-5222 or mail registration to 110 Washington Street, Bluffton, IN 46714. Planning the event are CAC board members Cheryl Stiuson, Elizabeth Leonard and MaryBeth Patterson along with CAC staff Maureen Butler and Laura Sawyer.

CARS FOR KIDNEYS

INDIANAPOLIS - Rhea McGinnis did not know it, but she was heading for a collision. Recently at the National Kidney Foundation of Indiana's (NKFI) free health screening, McGinnis was able to put the brakes on a leading cause of kidney failure when she discovered she had high blood pressure. McGinnis' blood pressure peaked at 169 over 115 at the screening, so she was instructed to see her doctor immediately. McGinnis' doctor placed her on medication that is helping to steer her condition towards good health, and prevent the development of serious kidney problems.

"I am only thirty-nine years old and was walking around taking life for granted," McGinnis said. "Everyone should stop in to the screenings," McGinnis explains, "especially those who don't take time to see their doctors, they need to take advantage of the screenings." Just like our cars, our bodies need check ups and the NKFI provides free "check ups" to the public. The Indiana State Department of Health, public donations, and fundraisers such as the Kidney Car program fund these screenings.

Donating a vehicle is simple and the proceeds support the NKFI's patient services and programs, like the free health screening Rhea McGinnis attended. Just call 1-800-362-9971 to donate your vehicle. The vehicle must be whole and have a clear title. NKFI accepts cars, vans, trucks, boats, and other vehicles. The towing is free and you may even qualify for a tax deduction. NKFI suggests the donor speak with a tax advisor about their possible tax benefits. Call the NKFI at 1-800-362-9971 to find out more information on our free programs and services. Don't forget to make your car a kidney car, cars that save lives.

HC PRESENTS "SIDE SHOW"

Huntington College Theatre will present "Side Show," a new dramatic musical for adults, on the mainstage of the Merillat Centre for the Arts. Performances will begin at 8 p.m. on November 1, 2, and 3.

"The 1998 Broadway production opened to rave reviews and received several Tony Award nominations," said director Dr. Don Rainbow, professor of theatre arts at Huntington College. "One reviewer described the show as 'a glimmering star of a musical that disturbs nearly as much as it dazzles viewers.'"

"Side Show" is based on the real-life story of conjoined twins, Daisy and Violet Hilton. The Hilton twins began their careers in the side show and then went on to perform in vaudeville and film, including an appearance in the 1930's cult film, "Freaks."

The Huntington College Theatre production of "Side Show" includes a cast of 40 student-actors, supported by a 15-piece orchestra. Musical direction is provided by Music Department chair Dr. Janice Fulbright. Prof. Mike Burnett is the scenic and lighting designer, and Prof. Paula Trimpey is the costume designer. Jason Johnson provides the choreography.

Dr. Don Rainbow received his B.A., M.A., and Ph.D. from the University of Minnesota. Prior to joining the faculty at Huntington College, Rainbow taught at Christian liberal arts colleges in Minnesota and South Dakota where he established outstanding theatre programs. Rainbow's summer touring shows have presented high-energy musical revues to audiences across the U.S., Europe and the Middle East. Rainbow spent his last sabbatical leave

working as a background actor in Hollywood, performing in over 50 films and television shows. He occasionally takes groups of students to Hollywood during the J-Term to study the film and television industry. Rainbow assisted the Christian Coalition in establishing the Los Angeles Film Studies Program. His special interest is the area of religion and theatre. He served for three years on the pastoral staff of a large church in southern California using theatre for worship and Christian education.

Tickets will go on sale to the public Wednesday, October 17, and cost \$7 for adults and \$5 for students and seniors. This show is intended for adult audiences and is not appropriate for children under the age of 12. Tickets can be reserved by calling the Merillat Centre Box Office at 359-4261.

Theatre performance and theatre design technology are among nearly 50 academic concentrations available at Huntington College. US News and World Report ranks Huntington College among the best liberal arts colleges in the Midwest. Founded in 1897, the four-year, Christian college is located on a contemporary campus in Huntington, Ind.

The cast for "Side Show" includes Travis Bolinger, a sophomore Elementary Education major from Warren.

GENEALOGY REPORT

IN MEMORY OF FORREST A. POND

9-21-1920-10-18-2000

It does not seem possible that we have been without you for a year. On that day, a year ago, we lost a wonderful husband, father and grandfather. A long time leader of the Warren Volunteer Fire Department. He took great pride in his carpenter work. Making things and doing things for people was what he loved to do most. He will always be in our hearts.

Sadly missed by his
Wife, daughter, grandchildren
& great-grandchildren
Fellow firemen and friends.

THANK YOU

We want to thank our neighbors and friends for flowers and expressions of sympathy extended at the loss of our father, Ralph Highley.

YOUNT

Ruth E. Yount, 79, formerly of 427 E. 5th St., Warren, died at 10:54 p.m. Sunday (Oct. 14, 2001) at the United Methodist Memorial Home in Warren where she was a resident.

Mrs. Yount was a homemaker and a child-care giver, and she had operated a cake decorating business for many years. She was a lifelong resident of the Warren area and attended the Warren United Methodist Church.

She was born Aug. 8, 1922, in Wells County to William H. and Mary Elizabeth Crisamore Hunnicutt. She attended Jackson Township High School in Wells County. She married Paul E. Yount in Van Buren on Oct. 19, 1938. Her husband survives.

Also surviving are a son, Don Yount, Divide, Colo.; two daughters, Mrs. Jim (Jennette) Mooney, Ocala, Fla., and Mrs. Morry (Bonnie) Zeller, Warren; a brother, Dale Hunnicutt, Hartford City; eight grandchildren and 14 great-grandchildren.

She was preceded in death by two brothers, Russell Hunnicutt and Morris Hunnicutt.

Services were held at Glancy Funeral Homes, H. Brown & Son Chapel, 203 N. Matilda St., Warren. Rev. Mike Beall and Rev. John Wallace officiated.

Burial was at Gardens of Memory Cemetery, Marion.

Preferred memorials are to the Family Hospice of Northeast Indiana, 265 W. Water St., Berne, IN 46711.

ADSIT

Mary J. Adsit, 88, a resident of the United Methodist Memorial Home in Warren since 1989, died at the home at 8:50 p.m. Friday (Oct. 12, 2001).

Mrs. Adsit, a 1931 graduate of Salamonie Township High School, began working at McFarren's store in Warren in 1930. She succeeded her parents in managing the store,

serving in that capacity until the store was sold in 1959. She had also worked for Gold Seal Drug and Gift Shop in Warren. She served as Warren town clerk from 1960 to 1964 and then served as deputy clerk until retiring in 1977.

She was a member of the Warren United Methodist Church and was active in the church's women's group, Alpha Class, and Bible study group. She was a former member of the Charles S. Beard American Legion Post Auxiliary and the War Mothers of World War II. She was a charter member of the Las Amigas Club and Salamonie Area Historical Society, Sigma Phi Past Presidents, and the Beta Delta Chapter organized in 1946. She was a life charter and 50-year-plus member of Sigma Phi Gamma Sorority and served as secretary of Alpha Province of Sigma Phi Gamma International Sorority.

She organized Warren's first Cub Scout troop, Troop 3211, and worked with the Scouts for more than 20 years. She was the first person not in Scouting to receive a certificate of appreciation for service in Scouting from the Tomahawk District.

She was born Jan. 26, 1913, in Bluffton, a daughter of Earl Rider McFarren and Mary Etta Hanna McFarren. She married Hiram Barnes Adsit Sept. 8, 1931, in Warren; her husband died March 26, 1946.

Surviving are a son, Hiram B. Adsit Jr., Plainfield; a daughter, Mary Emma Holmes, Van Buren; four grandchildren and five great-grandchildren.

A brother, George F. McFarren, is deceased.

Services were held at the United Methodist Memorial Home in Warren. Pastor Kathie Jones officiated. Burial was at Woodlawn Cemetery in Warren.

Memorial contributions may be made to Cub Scout Pack 3211, with envelopes available at Glancy Funeral Homes, Butler Chapel, Warren.

JONES

David L. Jones, 57, Ossian, died at 1:35 p.m. Friday (Oct. 12, 2001) at the Indiana University Medical Center, Indianapolis.

Mr. Jones, a 1962 graduate of Warren High School, had been employed by Wickes Lumber in Fort Wayne as a sales coordinator since 1999. He had previously worked as a bus driver for the Fort Wayne Community Schools.

He was a member of Calvary Temple in Fort Wayne, serving as a deacon, an usher, and a Sunday school teacher. He was also active in the church's van ministry and Kid's Club.

He was born Jan. 23, 1944, in Huntington County, a son of Roger and Maxine Herr Jones. His mother survives in Warren. He married Sharon Cramer April 23, 1967, in Warren; his wife survives.

Additional survivors include a son, Kevin Jones, Fort Wayne; a daughter, Andrea Jones, Fort Wayne; and two brothers, Gary Jones and Keith Jones, both of

Warren.

Calling hours were held at Myers Funeral Home, Markle Chapel, and at Calvary Temple, 1400 W. Washington Blvd., Fort Wayne. Services were held at the church. Rev. Don Wirtgau officiated.

Burial was at the Markle Cemetery.

Memorial contributions may be made to Calvary Temple.

MILES

Thelma E. Miles, 85, 1896W-800S, Warren, died at 5:35 p.m. Saturday (Oct. 13, 2001) at Parkview Huntington Hospital.

Mrs. Miles, a graduate of Putnam High School in Putnam, W. Va., was retired from RCA in Marion. She had lived in the Marion area before moving to Warren.

She was born June 30, 1916, in Honakis, Va., a daughter of Samuel Dewey Jackson and Rosa Martha Duty Jackson. Her first marriage was to Earl Richard Lhamon, who is deceased. She later married Perry J. Miles, who died in 1978.

Survivors include a son, Earl Richard Lhamon Jr., Warren; a sister, Etta Puckett, Hamilton, Ohio; six grandchildren and 15 great-grandchildren.

She was preceded in death by a sister, Ruth McNally.

BACK TO SCHOOL THE HEART HEALTHY WAY

(NAPS)-Nutritionists say it can be easy for school-aged kids to learn healthy eating habits-all it may take is a little "home work."

Studies have shown that healthy eating habits established early in life tend to remain with people well into their adult years. To help kids enjoy heart-healthy diets, the American Heart Association recommends parents lead by example and pack children's lunch boxes with nutritious low fat, low cholesterol foods like:

- ¥ low or non-fat dairy products, such as skim milk and low fat string cheese;
- ¥ sandwiches made from whole grain breads, lean meats or fish;
- ¥ limit high fat condiments, try low fat substitutes such as mustard instead of mayonnaise;
- ¥ pack fresh fruits and vegetables such as carrots or celery sticks, apples and oranges; and
- ¥ baked pretzels and low-fat yogurt can be a tasty treat.

To help parents choose heart-healthy foods for their children and themselves, the American Heart Association established its Food Certification Program.

The program uses a red heart with a white check mark to indicate foods that meet the American Heart Association's standards. Foods and beverages with the heart-check mark on their labels are low in fat and cholesterol and can be part of a heart-healthy diet for healthy people over age two.

Foods with the heart check mark are:

- ¥ low fat (less than or equal to three grams per serving);
- ¥ low in saturated fat (less than or equal to one gram per serving);
- ¥ low cholesterol (less than or equal to 20 milligrams per serving);
- ¥ have a sodium value of less

than or equal to 480 milligrams for individual foods; and

¥ contain at least 10 percent of the daily value of one or more of these nutrients: protein, vitamin A, vitamin C, calcium, iron or dietary fiber.

Meats must meet the USDA's standard for extra lean.

For more information on diet and nutrition, visit www.americanheart.org or call the American Heart Association at (800) 242-8721 (AHA-USA1) and ask for a free copy of the Shop Smart With Heart brochure.

TECH TOYS TEACH TEENS

(NAPS)-Who said parents and teens don't agree on things? Findings from a recent Hewlett Packard-commissioned survey conducted by International Communications Research indicate parents and teens do agree on one thing-the use of technology-related products enhances learning and personal development.

The HP study of 500 teens between the ages of 12 and 17 found that:

- ¥ 91 percent believe technology-related products allow them access to a variety of sources;
- ¥ 90 percent said technology improves the quality of their projects;
- ¥ 89 percent think these products make learning more fun;
- ¥ 56 percent believe these products make them better students overall.

The study confirmed that of the 320 parents polled, eight out of ten agree that some technology tools impact their children's performance in school. In fact:

- ¥ 92 percent believe technology helps make learning more fun;
- ¥ 91 percent of parents agree that technology improves the quality of their children's school projects; and
- ¥ 74 percent agree that technology helps make their children better students overall.

Now that there's agreement on the benefits of technology products, which products can really

help teens enhance their learning and personal development, and have fun while doing it?

✶ With today's faster processors and huge memory capabilities, computers like the HP Pavilion BT 936 home PC make it easy to write and store research projects, conduct online research, store and retrieve photos and graphics, and play games and videos.

✶ High-quality printing, scanning and copying capabilities are all available in a small, compact unit. These all-in-one devices are so compact, they are ideal for dorm rooms and other small work spaces.

✶ Scanners offer the ability to reproduce documents, graphics, photos and more for all types of schoolwork and creative projects. In fact, some scanners offer the ability to scan virtually anything, including 3-D objects. Once an image is on your computer, you can e-mail it to friends and family.

✶ With recordable CD drives, students can store class notes and reports with ease. They simply transfer the files from the computer to a CD, where they're permanently stored, safe from accidental erasure. Perhaps best of all, teens can take all that music they've been storing on the hard drive and put it on CDs, freeing up precious computer memory.

Parents and children agree that technology products can enhance learning and personal development. With such a wide selection of products to choose from, where can you turn for more information on what's available today? HPshopping.com is an award-winning e-commerce site featuring a wide selection of trusted home, home office and dorm room products including PCs; handheld PCs to keep organized; and scanners, printers and digital cameras for sharing memories. STRIKING A BALANCE OF NUTRITION AND EXERCISE

(NAPSA)-When people learn they have diabetes, they often assume that they need only be concerned with watching their intake of sugars. While keeping track of total carbohydrate (including sugars) is a very important part of diabetes management, there are other factors that are just as important to consider: maintaining a healthy body, reducing fat and saturated fat intake, increasing fiber consumption, and getting regular physical activity.

According to Registered Dietitian Mary Donkersloot, author of *The Simply Gourmet Diabetes Cookbook*, "Living with diabetes should be a balanced mix of eating the right foods in the appropriate amounts, and sustaining an active lifestyle. Unlike some other chronic diseases, diabetes is one that you can help control by the simple choices you make about food and activity every day."

For people with type 1 or type 2

diabetes, being overweight is a concern. Preventing and reversing weight gain during adulthood can actually improve blood sugar control and may reduce the risk of complications associated with diabetes such as cardiovascular disease. Eating healthful meals and snacks that provide fiber and are low in fat can help manage weight. It is also helpful to get plenty of fluids, like water or sugar free soft drinks. Another way to watch both your weight and your total carbohydrate intake is to plan a menu at the start of each week, which features plenty of high fiber foods like vegetables, fruits and whole grains. Don't forget to stock up on sugar free gelatin and sugar free low calorie soft drink mixes so you can indulge in your favorite sweet treats anytime.

Perhaps the most fun way to manage diabetes is to stay physically active. Regular activity is key for people with diabetes, as it can help manage blood glucose levels. For people with type 2 diabetes, exercise can improve the way their body uses insulin.

"Your plan for physical activity should be fun so that you will stick to it and look forward to doing it regularly," says Donkersloot. "Also, make sure that you can fit it into your daily routine." To rejuvenate your body after a workout, try eating a snack mix that is high in fiber, made with cereal such as Post[®] Shredded Wheat or Raisin Bran.

Individuals with diabetes should strive to eat the same amount of food at the same time each day. Use Nutrition Facts panels on product labels to check the serving size, calories, fat and carbohydrate content of the foods you choose for meals and snacks. Stock your fridge and pantry with foods that are portion-controlled, as well as portable, so that you can consistently manage what you eat while away from home. Jell-O[®] Brand Sugar Free Gelatin is a great low calorie treat.

If you have diabetes, you can learn how to live with your condition in a way that fits the lifestyle you enjoy. Talk with your dietitian or certified diabetes educator to build a meal plan that is tailored to your type of diabetes, medication, activity level and lifestyle.

For delicious recipes that you can healthfully enjoy, send a check for \$4.95 for shipping and handling to: *The Kraft Diabetic Choices Cookbook*, P.O. Box 8093, Dept. K3, Wisconsin Rapids, WI 54495-8093.

The U.S. Postal Service has put its stamp of approval on a plan that will allow businesses to remotely reset their postage meters using phone lines or the Internet. Under a plan that was set in motion in 1995, the Postal Service is gradually retiring all manually reset postage meters. It is believed upgrading to remote set meters will save businesses time, since employees can stay on the job rather than heading off to the post office to have a meter reset. MORE Did You Know

(NAPSA)-Today's soon-to-be-weds are expanding the conventional bridal registry and including less traditional items they can enjoy together on their wedding wish lists. One popular idea is to help complete the newlywed nest with a home entertainment system from Philips Electronics. Some popular electronics gifts include a mini System with integrated DVD player; Personal Video Recorder with TiVo Service; a CD Clock Radio; as well as home spa items for both bride and groom.

Did you know a regular eye exam may detect problems including diabetes, high blood pressure or even tumors? In addition, eye exams can catch the early stages of eye diseases, including glaucoma. That's why Sears Optical is sponsoring National Eye Exam Month[®], an educational and philanthropic effort to increase awareness of the importance of regular eye exams. National Eye Exam Month runs throughout August.

Experts say one of the best ways to avoid failing prey to an identity thief is to regularly order your credit reports from one of the three national credit reporting agencies. The largest of these agencies has an online product called Equifax Credit Watch. The tool alerts consumers via e-mail to the addition of any significant entry on their credit files, within 24 hours of posting. For more information, visit www.equifax.com

PUPPY TAILS AND

CHRISTMAS TALES

(NAPSA)-A new book may set many tails a-wagging. That's because this book is all about pets and the first motel to cater to them.

The book, *Love Is A Four-Legged Word* (Epic, \$24.95), author Robert Leeds tells the story of the American Pet Motel, where dogs slept on brass beds and talked to their owners on Snoopy telephones.

At this motel, animals had mid-day cookie breaks and listened to piped-in music.

If a German shepherd normally had a half glass of beer at bedtime, beer was provided and, if bacon and eggs was a St. Bernard's breakfast fare, that was what it had as a guest at this motel.

MORE PAGE 10

The motel, which boarded pets that walk, creep, crawl, swim, fly, slither or hop, was started by the author, a former General Motors engineer. The creation of the motel was triggered by the death of his pet through the carelessness of a kennel. Since then deluxe digs for pets have sprung up around the country. For many pet lovers Leeds remains the leader of the pack.

Since its creation in 1973, Leeds has cared for more than 250,000 pets and accumulated dozens of wonderfully funny and endearing stories about his guests and their owners.

In Love Is A 4 Legged Word, Leeds tells his story and theirs. Although the book contains many anecdotes, it is also the story of a couple that set out to change the world of pet care and, to a large degree, succeeded. Without any training or experience, but with a great deal of motivation and love, they gave up their jobs and security to fight for pet care industry reform in America.

Leeds is also the author of Christmas Tails (Epic, \$14.95), a fully illustrated children's book. This fanciful fable proclaims the virtues of loyal friendship and our responsibilities to the world we share.

The book has been described as a beautifully illustrated parable; an allegorical narrative intended to give young readers respect for life.

It is the story of Santa Claus and his dog, Snuggles, which takes place in a year in which there was almost no Christmas. When Santa's reindeers become ill, dogs volunteer to pull his sled, but Santa denies his own dog a chance to help because of his age and breeding. When a friend reminds him that his dog did not judge him, Santa sees the error of his ways.

Among the book's fans was the late actor and director, Orson Welles, who said, "This story should be made into a film so everyone could see it."

The books are available in book stores or by calling toll-free 1-877-620-3742 or by logging onto www.epicpublishing.com.

ALUMINUM TABS HELP CINCINNATI SHRINERS HOSPITAL

(NAPSA)-Over a year and a half, fourth and fifth grade students collected 1,000,000 aluminum can tabs, weighing just over 700 pounds. Part of the project's purpose was to learn about volume but it became a lesson in giving as well.

When the collection was completed, the tabs were cashed in for \$850. The money was donated to Shriners Hospital for Children in Cincinnati, where twin classmates Shanna and Brian Howard have been patients for more than nine years.

Fourth grade teacher Alison Hanger and students at Walnut Elementary School in Ohio started the tab collection as an exercise

in values, reading large numbers, recognizing how much large numbers are and how to count and measure them. Students had to figure out what was the best way to count, weigh and store the tabs.

The Howards have been patients at the burn hospital since 1992, when a water heater exploded in their home. Brian received burns to 50 percent of his body and Shanna, 40 percent. Since Brian and Shanna started school, nurses from Shriners Hospital have regularly visited the school to explain to students the seriousness of the twins' injuries and how important fellow students are to any burn patient's recovery.

The Howard family knew that the Ladies Oriental Shrine organization in Cincinnati collected tabs to raise money for the hospital. Once the tabs were counted, Dale Cline, President of Pickaway County Shrine Club and Past Potentate of Aladdin Shrine in Columbus, visited the school on behalf of the Cincinnati Shriners Hospital to accept the donation and make a short presentation about the hospital. The funds raised were used for small items at the hospital, such as patient gifts and crafts for the outpatient clinic.

Students at Walnut Elementary were rewarded with a trip to the Shrine Circus.

For more information on Shriners' network of 22 hospitals that provide free treatment to children with orthopaedic problems, burns and spinal cord injuries, write to: Shriners International Headquarters, Public Relations Dept., 2900 Rocky Point Dr., Tampa FL 33607, or visit the Web site at www.shrinershq.org.

If you know a child Shriners can help, call 1-800-237-5055 in the United States or 1-800-361-7256 in Canada. Shriners Hospitals provide free treatment to children under age 18 without regard to

race, religion or relationship to a Shriner.

DECKS CAN DELIVER DELIGHTFUL ADDITIONS

(NAPSA)-No matter what style of home you own, building a deck can add value, beauty, and comfort. It's a natural extension of your living area that draws attention to the outdoors and its surroundings. Whether small or large, decks serve many purposes.

Before getting out the saw, drill, and hammer, decide how you want your deck to complement your home.

A simple connection between your home and the outdoors? A retreat that offers a quiet, peaceful area? A centerpiece for entertaining family and friends? A deck can be all of these things.

Numerous design choices are available to satisfy any taste. Your deck can be a simple compact structure with built-in seating, or an elaborate multilevel design that includes benches, planters and railings.

Building a deck can be an easy project, depending on the level of your woodworking skills, the site you have to work with, and the complexity of your design.

Choosing the right material for building your deck is very important. A popular choice is versatile and durable pressure-treated Southern Pine lumber.

Treated Southern Pine resists insect attack and decay for many decades, according to tests sponsored by the USDA's Forest Service. Southern Pine is one of the nation's oldest and most respected lumber species, renowned for its strength, treatability, and beauty.

Once your deck is complete, it will require simple maintenance just like any other part of a house. Apply a water-repellent sealer to

all exposed wood surfaces. Be sure the wood surface is dry before applying the sealer.

In most climates, a sealer should be reapplied every year or two to reduce the effects of weathering. Treated Southern Pine can also be stained or painted.

The Southern Pine Council (SPC) offers a free Garden & Outdoor Idea Book, including deck project plans plus helpful tips about building with pressure-treated Southern Pine. Contact SPC, Box 641700, Kenner, LA 70064 and ask for publication #304 or visit the council's website at www.southernpine.com.

DESTINATIONS TO SUIT THE WHOLE FAMILY

(NAPSA)-A new contest gives travelers the chance to explore a Civil War battlefield, play on one of nine championship golf courses or shop the afternoon away at any of over two hundred stores, all at a unique vacation destination, steeped in national heritage.

Northern Virginia has become a popular destination for vacationers. Known for its warm autumn days and breathtaking fall foliage, the area tends to have mild weather the year round and offers visitors a variety of activities.

For example the Prince William County and Manassas area in Northern Virginia has attractions and points of interest that can suit the tastes of even the most diverse group of travelers.

For history buffs, the area is showcased by the Manassas National Battlefield Park. The 5,000 acre National Park was the scene for two important Civil War battles: the First and Second Battles of Manassas (Bull Run). Visitors to the park can take a walking, equestrian or driving tour.

Nature enthusiasts may enjoy a stroll through Prince William Forest National Park. The 17,000 acre

destination has more than 35 miles of scenic hiking, a driving loop and camping. In addition, nature lovers can take a bird watching tour on the banks of the Potomac River.

For those who prefer not to rough it while on vacation, the area has Occoquan, a riverfront artisan community with more than 100 specialty boutiques, dining and antique shops. There is also Old Town Manassas, a community filled with shops, museums, galleries, and cafes.

The Potomac Mills Value/Outlet Mall may also give vacationers something to write home about. The completely enclosed, mile long shopping attraction has more than 220 manufacturer outlets and discounters.

To encourage vacationers to visit Prince William and Manassas, the area frequently holds vacation getaway contests. One contest features three separate prize packages-a family, romantic and golf weekend getaway-for three different winners. The weekends include two nights lodging, dinner at a local restaurant, a \$50 shopping certificate and admission to various area attractions.

Visit www.visitpwc.com to enter the travel contest and to learn more about planning your getaway to Prince William County and Manassas.
